I award Lizy's poems 5 stars, and as a mother and grand-mother the poem titled "Child" struck a chord. Her poem friendship tells me a lot about Lizy's caring nature. Her poem Seize the Moment are the thoughts that I live by.

Poet, Author, Canadian Illustrator Lizy J. Campbell is a self-taught gifted artist and mother of two.

I am extremely interested in her Pet Portraits among many other illustrations. Give a gift to yourself and have her create a portrait of your furry friend.

I encourage you to purchase her children's books titled Herbaceous "The Boy Made of Cheese", My Forgetful Mom" and "Nanny Bananny" for your children and grand-children.
