

Hannah (Brides Of The Oregon Trail Book 1) by Cynthia Woolf

Desperate times call for desperate measures, so when Hannah Granger's little sister takes off for Oregon with a group of mail-order brides to meet her new husband, Hannah has no choice but to follow. She expects her sister to find trouble, and she does. But what Hannah doesn't expect is to fall for the hired gun traveling with the wagon train as they make their way along the treacherous Oregon Trail.

The bounty hunter is tall, dark and dangerous, everything she's avoided her entire life. But when she begins to suspect criminals are riding just four wagons back, she'll do just about anything to convince him to listen...and to protect her fragile younger sister from the truth about what this trip is costing them both. The only thing bounty hunter Joe Stanton wants is to avoid trouble. He's tagging along on this trip to the Oregon Territory to put a little extra cash in his pocket and take a break from the hunt. The only woman he ever loved broke his heart and his last bounty cost an innocent man his life. Joe's had enough blood, death and betrayal to last a lifetime.

So why, then, does he make Hannah's secrets his own? Why does he lie to protect her? And why does the stubborn woman's dogged attempts to help him track down criminals drive him insane with worry? Maybe because he's falling for the red-headed beauty. Maybe because if he doesn't keep her close, they'll both end up dead.

“She Could Easily Lose Her Heart to Such a Man”

February 3, 2019

Format: Kindle Edition Verified Purchase

“Time for another Mail-Order-Bride story! Starting in Independence, Missouri, 1852 a wagon train with 55 wagons and 103 mail-order-brides heads out for a long and arduous journey to Oregon City in the Washington Territory. Hannah Granger was not to be a bride, but was going on the trip with her sister, Lydia. Joe Stanton is a bounty hunter who gets hired to help protect the train. Joe and Hannah have instant chemistry. He is flirty which Hannah finds “scandalous” but funny. “I figure we’re headed to a new, young land and old etiquette doesn’t matter.” Reviewer by Susan

Lydia (Brides Of The Oregon Trail Book 2) by Cynthia Woolf

Lydia Granger thought she left a life of struggle and poverty behind. As a mail-order bride on her way to Oregon City, a secure future is assured. But when the wagon train arrives in Oregon City, she discovers her fiancé is dead and her dream of a safe future is shattered.

Moments after her dream is stolen from her, a gift arrives. Her wealthy fiancé left her everything he had. Life for Lydia should be easy, but the truth is much darker and more terrifying than she could imagine, for her fiancé's death was no accident, and the man who took his life wants everything, all the dead man's riches.

Detective Max Caldwell lost his wife to a brutal killer, a man who will stop at nothing to take what he wants from the world. He killed in Chicago. He killed in Oregon. It's only a matter of time before he strikes again. Max seeks not only justice, but vengeance for his wife's death and has no qualms about asking the innocent Lydia to help him hunt for her fiancé's murderer. Because Lydia, and her inheritance, are the bait Max will use to lure evil into the light. Too late he realizes Lydia, with her soft heart, beautiful smile, and collection of rescued animals is not only powerful enough to take down a killer, but she just might melt the ice around his heart.

Brides on the Oregon Trail

April 25, 2019

Format: Kindle Edition Verified Purchase

“Love this book by Cynthia as with all of her books she rocks her books out of the park. This book is about Lydia going on the wagon train with her sister and brother-in-law. Lydia was supposed to marry Mr. Mosley and she found out that he had suddenly died. I think she was surprised that he had left her everything including her house which was perfect for all her animals that she rescued. Long story short is that this is a great read and fast paced you can never go wrong with Cynthia's books. Love this set of books.” Reviewed by Chris Linhart

About The Author: Cynthia Woolf is the award winning and best-selling author of more than thirty-three historical western romance books and two short stories with more books on the way.

Cynthia loves writing and reading romance. Her first western romance *Tame A Wild Heart*, was inspired by the story her mother told her of meeting Cynthia's father on a ranch in Creede, Colorado. Although *Tame A Wild Heart* takes place in Creede that is the only similarity between the stories. Her father was a cowboy not a bounty hunter and her mother was a nursemaid (called a nanny now) not the ranch owner.

Cynthia credits her wonderfully supportive husband Jim and her great critique partners for saving her sanity and allowing her to explore her creativity.
