

Breaking Chains Of Darkness and Setting The Captives Free by Dr. James Fent

DELIVERANCE is a powerful weapon God has given His church to defeat Satan and set His people free!

However, no one can live in sin and also walk in the power of God!

When we accept Christ as our Savior, we become sons of God, washed clean by His blood, and when we die, we go to heaven. This however, does not mean we are totally free and our problems will come to an end. We are still bound by our past; struggling with hurts, bitterness, lack of forgiveness, depression, illness, addictions, or just plain feeling defeated in life. We remain in bondage because although our spirit is born again, our soul (will, emotions and mind) and physical body need to be renewed and transformed. These are the areas that need deliverance.

This manual is a comprehensive bible-based study about the ministry of deliverance initiated by Jesus Christ. It includes a wide variety of related topics including: can a Christian have a demon, how demons enter, the origin of Satan and demons' generational curses, soul ties, spiritual warfare, the believer's authority, ministry to children, the deliverance process and much more.

The Controversial Truth by Dr. James Fent

This book encompasses several biblical truths that are seldom taught in the modern-day church.

It is a result of returning from a foreign country where we shared the gospel and ministered to those who were hungry for the Word of God, to observing a passive church with little power or passion.

This book is meant to encourage the church to return to being the spiritual giants God has called us all to be.

“Is America doomed as a nation? Has God given up on America? We no longer have leaders who fear God.”
Dr. James Fent

**Tongues Of Fire: The Purpose and Benefits Of Speaking In Other Tongues
(second edition) by Dr. James Fent**

Among those who have received the Baptism in the Holy Spirit with the evidence of speaking in other tongues (languages) there are some who express confusion about the rationale of using this gift on a regular (daily) basis. This booklet presents a comprehensive look at the purpose and benefits of using this promise of God to help eliminate any confusion and to provide greater understanding of its use. For those who have not yet received this promise of God, the beginning of this book presents a brief scriptural explanation of its validity.

About The Author: Dr. James Fent began his career in higher education, spending the last eight years as Academic Vice President of Lake Michigan College.

He and his wife Martha (Marty), also owned a small business before God called them into the mission field. It was during this time that God thrust them into the deliverance ministry where they witnessed the amazing power of God: seeing lives changed, illnesses healed, the crippled walk, bondage's lifted, and attitudes and behaviors changed.

Upon their return Dr. Fent completed his studies with the Assembly of God Fellowship and earned his license to minister. He and his wife have been the pastors of three churches. Currently they continue their deliverance ministry, offer workshops and classes on deliverance and spiritual warfare, and teach adult Sunday School.

Dr. Fent is also the Chairman of Spiritual Freedom Network which consists of ministries throughout the United States dedicated to setting people free from spiritual bondage.

Dr. Fent has written several books and has been invited to speak in both the United States and Mexico, and recently was interim pastor of a church in South Carolina.
