Desperate times call for desperate measures, so when Hannah Granger's little sister takes off for Oregon with a group of mail-order brides to meet her new husband, Hannah has no choice but to follow. She expects her sister to find trouble, and she does. But what Hannah doesn't expect is to fall for the hired gun traveling with the wagon train as they make their way along the treacherous Oregon Trail. The bounty hunter is tall, dark and dangerous, everything she's avoided her entire life. But when she begins to suspect criminals are riding just four wagons back, she'll do just about anything to convince him to listen...and to protect her fragile younger sister from the truth about what this trip is costing them both.

The only thing bounty hunter Joe Stanton wants is to avoid trouble. He's tagging along on this trip to the Oregon Territory to put a little extra cash in his pocket and take a break from the hunt. The only woman he ever loved broke his heart and his last bounty cost an innocent man his life. Joe's had enough blood, death and betrayal to last a lifetime. So why, then, does he make Hannah's secrets his own? Why does he lie to protect her? And why does the stubborn woman's dogged attempts to help him track down criminals drive him insane with worry.

Maybe because he's falling for the red-headed beauty. Maybe because if he doesn't keep her close, they'll both end up dead.

5 Stars ANOTHER FANTASTIC STORY IN THIS SERIES…Verified Purchase, 5 stars

What an intriguing story with adventure, danger, and romantic suspense…

5 Stars Bella Devereaux dreamed of being a restaurateur, not a thief. But life had other plans. Forced to compromise her principles to survive, Bella always gives half of her ill-gotten gains to the French émigrés in New Orleans and saves the other half to fulfill her lifelong goal of opening her own French café. A priceless cache of jewels was supposed to be her last job, but the police are on to her, and so is another criminal—Jack Pasquin.

He’s more than a thief, he’s a murderer, and he’s willing to do whatever it takes to force Bella’s hand—including kill her. Taking the jewels and fleeing to Oregon City as a mail-order bride seems to be her only hope.

Marshal Robert McCauley never forgave himself for being on the job when his first wife passed away. Guilt has kept him from falling in love again, but a mail-order bride seems to be the perfect answer. When Bella arrives, not only is she beautiful and intelligent, but her mysterious ways intrigue him more than he cares to admit. Neither of them wants to admit they have fallen in love, but when Bella’s past catches up to them, Robert will have to choose—once more—between the woman he loves and the duty he serves.

Can Bella save the husband she’d fallen in love with? Or will she become a widow before she becomes a real wife?

Eliza has secrets and a past that could destroy any chance she has of building a new life. When an opportunity arises to join a wagon train full of mail-order brides headed to Oregon City, she flees from her old life.

Little does she know that danger from her past stalks her, or that a killer’s obsession will be strong enough to follow her to the other side of the country.

When Eliza’s past catches up with her, she’ll need a real hero…a man who can accept the truth, and love her despite the circumstances of her past.

About The Author:  Cynthia Woolf is the award winning and best-selling author of more than forty-four historical western romance books and two short stories with more books on the way. She also has six scifi romance novels. She also has three boxed sets of her books available.

Cynthia loves writing and reading romance. Her first western romance Tame A Wild Heart, was inspired by the story her mother told her of meeting Cynthia's father on a ranch in Creede, Colorado. Although Tame A Wild Heart takes place in Creede that is the only similarity between the stories. Her father was a cowboy not a bounty hunter and her mother was a nursemaid (called a nanny now) not the ranch owner.

Cynthia credits her wonderfully supportive husband Jim and her great critique partners for saving her sanity and allowing her to explore her creativity.
