

Boardwalk Fries by Alyssa Gagliardi

Ella and her brother James are heading to the Boardwalk for some fun.

There are rides and lots of fun.

The air is crisp and the smell of salty air and food is everywhere. The best thing on the boardwalk are the Boardwalk fries!

Review by Carmen: 5.0 out of 5 Stars. “Great for young readers with wonderfully bright illustrations. Kept the children interested. Let’s face it, kids like the beach and the sand, they also they like to eat. Especially fries. What a fresh way to keep the interest in first time readers. They will love the bright and well-illustrated characters. Well done!”
