Plans for a romantic weekend celebrating their recent engagement at a charming inn go awry when Detective Matt Parker and bookstore owner Jessie Reynolds are suddenly pulled into another case.

Bullets fly and sparks ignite—as the past and the present collide, in their most unusual case to date.

Review by Mary Nash: 5.0 out of 5 Stars. "Paranormal mystery and romance at its best. I love the supernatural twists and turns this series has. Jessie and Matt have a strong relationship but this latest case really puts their love to a test. Jessie disappears into another dimension to solve murder from many years ago. Matt is left to work it from this dimension while trying to keep hope alive that Jessie will be able to come back to him. Very intense storyline that is hard to put down."

Review by Abe Atencio: 5.0 out of 5 Stars. "Jessie travels to another dimension to help solve a Cold Case murder.What a wild ride Iona Morrison takes us on in Book 8 of the Blue Cove Mysteries series! I so enjoy the development of Jesse and Matt's relationship. I was fascinated by the idea of traveling to another dimension and found on Google it's an actual theory! The fact that Jesse was in one dimension while Matt was in our dimension helping to solve a past murder made it an exhilarating story! I can't wait to read the next one to see where she takes us again."

**The Blue Cove Mystery Series
(8 books and counting) published by Iona Morrison.**

Author Bio: I am a multi-published Amazon bestselling author who writes romantic suspense with a touch of the paranormal. I enjoy writing fiction. The character development, their stories, and the twists and turns in the plot intrigue me. Once I let the characters loose, I can't wait to see where they take me. I'm hooked from the first words on the paper and I have to keep writing to see how the story ends. Layer by layer I build it until I come to the happy conclusion.

I live in Colorado with my husband and family. I am a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and have enjoyed becoming involved in my community as one of the many authors living in Colorado. I invite you to read one of my Blue Cove Mysteries and see for yourself why Blue Cove is a special and unusual place.
