

Discovery In Passion (Tales of Passion Series Book 1) by Shiela Stewart

Wanting to start fresh, Cassie Evans relocates to the small town of Passion where she moves into the home of her dreams, complete with dreamy next door neighbour, artist, and handyman Thomas Healy. The only problem is, the house she bought just might be haunted.

Thomas Healy lives a life of solitude and that suits him just fine. Then Cassie Evans moves in next door and begins to turn his peaceful life upside down. He tries to ignore her, but ignoring a woman as beautiful as Cassie isn't so easy, especially when she shows up at your door, naked, begging for you to paint her. Thomas' first mistake was to agree to it, his second was to take Cassie to bed, now she's all he can think about.

When their blossoming love is overshadowed by a ghostly haunting, the curious Cassie launches an investigation into the life and death of her home's previous owner, uncovering a mystery and attracting the attention of a killer.

Where will Cassie's discovery lead her?

To the love of her life or to death itself?
