**About The Author:** Dina Hussein (aka Dinzy Finzy) did not begin her writing journey in school. It did not even begin in college. It began in 2010 when she wrote a couple of short stories, a screenplay, and a few more poems. She used to watch many movies depicting the ending and would almost always get it right. Then, it hit her; she wanted to write books.

After graduating from the University of Nicosia in 2008, Dina worked with her father in his consulting company; but during her free time, she would break down different stories and characters, trying to piece them together; until she finally wrote My Last Breath. It is based on her life and relationships. Dina wishes to pursue this as a lifelong career and one day turn her book into a movie, too.
