

A Christmas to Remember by Virginia Wright

Dr. Shane, a Heartwarming, Christmas Medical Romance Novel!

'The doctor had fantasized about this moment since the first time he laid eyes on Muriel...'

When an automobile accident on Deadman's Curve throws Doctor Shane French and Muriel Dufrense together, they feel a once-in-a-lifetime kind of connection. However, the road to a fairy tale ending proves to be a bumpy one, as old flames return to test their relationship, and a potentially life-threatening illness threatens to tear them apart.

Can Shane set aside his feelings for Muriel to save her life, or would his feelings contradict the Physician's Hippocratic Oath?

Will his childhood sweetheart come between Shane and Muriel?

Will Shane and Muriel make it home in time for their happily-ever-after Christmas to remember?

Reviews:

....."A Christmas to Remember is a sweet romance that will warm you up on a cold winter's night." By Ingrid Hall, writer of women's contemporary fiction

....."A heart-warming Christmas love story with a medical twist." By Dennis Higgins, author of Pennies From Across the Veil

....."A Christmas to Remember is a page-turner that will answer if true love can beat the odds against it." By Launa McNeilly, Author of Lies, In a Season of Tribulation

"A charming romance that reads like a Hallmark." By Joe Pranita, Author of Temporal Experiment

From The Author: Welcome!

Thank you so much for purchasing A Christmas to Remember.

Truth be told, some might admit that they have had feelings for or had a romantic relationship with their doctor. Research shows these instances in the medical field are infrequent. Still, this type of forbidden love with a doctor-patient does occasionally occur, and this is my inspiration for this fictional medical romance.

I hope you enjoy A Christmas to Remember, as much as I loved writing it. Moreover, when you turn the last page of Shane and Muriel's love story that you go away with an emotionally satisfying feeling!

Until next time, Virginia Wright
