

BOOK PROMOTION!

We are working hard to build a 'Readership' for each 'Author's Page' on BMGN. Each author can view their visitors on the top left-hand side of their 'Author's Page'.

We have a special drop-down box on our 'Homepage' and on all our 'Main Pages' showing a complete list of our authors.

Do You Need A 'Promotional Campaign' For One Or More Books?

We respect that Authors have tight 'Promotional Budgets'; this is why we offer low-cost 'Book Promotional Campaigns'.

- The 'Promotional Campaign' keeps your 'Author's Page' and book information high up in the search engines.
- It keeps your Author/Book information high up on our BMGN website.
- This gives us a chance to update your 'Author's Page' (covers, descriptions, purchase links, etc.) and 'Promotional PDF'.
- It keeps your Author/Book information higher up within Social Media avenues.
- It keeps us communicating. We want to work with you to build readership.
- You can view your 'Author's Page' Reader/Visitor count on the top left-hand side of your 'Author's Page'.
- You can request a new 'Promotional Campaign' at any time for extra promotion.
- We give you a 'Promotional Report' With each campaign (track our promotions).
- We give you our special 'Promotional Tools' to use for your own promotions.
- We invite you to join our promotional avenues (you can promote yourself alongside our promotions).

Important News: We will send you a 'Word Doc' with a list of links, inviting you to promote your own book(s) on our Facebook Pages and in our many Facebook Groups. This document invites you to join us within all our social media avenues. We want you to promote your books alongside our author/book promotions. We will work together to reach readers. Please request this document, if you haven't received the list in your email on file with us. This list of links, plus many more will also be sent in the 'Promotional Report' after the 'Promotional Campaign' is complete.

Please Email Us With The Book Title, Trilogy, Or Series You Want Promotion For! We Will Respond Back With Details Concerning Your 'Promotional Campaign'!
