

BOOK REVIEWS!

Submit A Book To Our 'Book Review Program'!

WE REVIEW PUBLISHED AND UNPUBLISHED MANUSCRIPTS!

Our Book Review Program: When an Author sends us a request to join our 'Book Review program', he/she is required to send us his/her book manuscript in a PDF or Word Doc Format. We will evaluate whether or not we want to proceed with the 'Book Review' process. We are looking for the 'Best Of The Best'. If we accept a book into our 'Book Review Program', we will send the author a 'Professional/Editorial Review' to proof for errors, before we post it anywhere within our 'Promotional Avenues'. Once the author proofs our review for errors, and accepts it, we delete the book PDF/Word Doc from our system and proceed with the details spelled out in our 'Promotional Contract' (sent to the Author in email).

Submission Process:

Please send your manuscript to us in a Word Or PDF (Email Below).

- We select the books we want to review. We will respond back within 24-48 hours.
- We are looking for the "Best Of The Best".
- If we select your book for review and promotion, you are required to purchase a 'Promotional Campaign'. The 'Promotional Campaign' introduces your book to our readers.
- We typically quote a passage from your book to draw the reader into the story.
- Unlike a 'Customer Review' our 'Professional/Editorial Review' is geared to draw the reader into your book, she he or she will purchase your book.

Value Of Our Professional Reviews For Your Published Book:

- We place our book review on your 'Author's Page' here at BMGN.
- We list your name on our Global Book Reviews Page (With Your Page Link).
- We run a 'Promotional Campaign' for your book.
- We will continue to build a readership for you, on your 'Author's Page' here at BMGN.
- Because our review is a 'Professional/Editorial Review', we do not post reviews directly to Amazon, Barnes and Noble, or Goodreads (owned by Amazon).
- You or your Publisher will need to post our review directly to your Will Need To Post Our Review to your 'Amazon Book Page', under the section 'Editorial Review'.
- Our reviews are typically long, for best results in our 'Promotional Avenues'. You might need to shorten our review to fit properly into the 'Editorial Review' space on your Amazon book page. Typically, the space will hold between 400-500 words.

Authors report an increase in sales with our review placed directly on the Amazon book purchase page, rather than buried in the 'Customer Reviews' on a separate page.

You are welcome to use our review inside your book, on your book cover, in press releases, on your website, blogs and in all your professional promotions.
