

Sophie London-Evin Foster Mysteries

He Never Said Good-Bye & Deception In The Moonlight by Christina Siwik

Sophie London-Evin Foster Mysteries Book One and Two.

Sophie London sets out to prove her husband, William, was murdered and not just killed in a tragic auto accident. The more Sophie and private investigator, Evin Foster, delve into the events surrounding William's death, the more unanswered questions surface. Was it an accident or murder?

Sophie London and Evin Foster team up again. This time it is to prove the innocence of a young man accused of murdering his young wife. They go undercover at the popular resort, Sunset Hills, to find the evidence they need. It sounds like the young woman is not the only one who has met a suspicious death at the resort. Can Sophie and Evin find the real killer before it is too late?

Review by Joeli K Ballard: 5.0 out of 5 Stars. Great Read! I so enjoyed the story.

STONEHAVEN & FOUR Days TO MIDNIGHT by Christina Siwik

Sophie London-Evin Foster Mysteries Book Three and Four.

Can a curse really harm you?

Sophie London and Evin Foster are about to find out. While on their honeymoon, a case of mistaken identity finds them immersed in an evil curse, ghost stories and secrets from the past. Then, a four day "Who Done It?" challenge turns into a full-blown real life murder mystery.

Can Sophie and Evin ferret out the killer before he or she strikes again?

Who will be left standing when the clock strikes at midnight?

Review by Fiction Fan: 4.0 out of 5 Stars. Sophie and Evin Foster are back! I think this book is Ms. Siwik's best yet. Sophie and Evin Foster are at it again, solving mysteries and crimes even though they don't intend to get involved. The first story was my favorite of the two, but if you're a fan of the game CLUE, you'll love the second story just as much as the first. Can't wait to see what the Fosters are up to next!
