**5-Stars: “Once Friendship Is Formed, It Will Never Fail”.**

Clarence is a very clever bunny and Elry is an eagle with a problem Clarence must solve.

Author Mukund Gnanadesikan brings children into a forest community of animals.

In this community fears are dispelled, friendships made, and problems are solved.

Teresa Amehana Garcia did a beautiful job with the illustrations. The illustrations on each page tie directly to the story on that page.

Children will find entertainment and learn more about friendships within a community. As a grandmother I can say, this book is perfect for bedtime and needs to be in all children’s libraries and medical environments. I hope to see more children’s books from Dr. Mukund Gnanadesikan.

Dr. Mukund Gnanadesikan is a Child and Adolescent Psychiatrist at Bay Area Clinical Associates.
