Review by Brian Tabatha Robinson: 5.0 out of 5 Stars. Loved this story!! Reviewed in the United States on June 24, 2023. First time reading this author and wow! Such a sweet story about following God's lead and the healing He can do. Joey is down on his luck when his band breaks up and his girlfriend leaves. Joey goes back home to his grandma who is the one comfortable and secure spot he knows. Grandma is

awesome, and Joey's love and respect for her helps him kick his addictions. And when he takes grandma to church, he is introduced to another way for him to play his music...and maybe a new love! Would love to see this book turn into a series. Would love to see how Joey grows.
