Copyrighted Material

BARBARA ANN MOJICA is a historian, educator and author of the award-winning, children's book series Little Miss HISTORY Travels to.

"...Mrs. Mojica's enthralling account of the statue's construction and history includes fascinating details about its origins, its purpose and significance, its architects and designers, and the physical and financial effort its building necessitated. Mrs. Mojica seamlessly interweaves information about prominent historical figures that were involved in making Lady Liberty's part of the American story..."
Sarah Mazor on August 27, 2013

"Little Miss HISTORY Travels to ELLIS ISLAND is another amazingly well-written book with so much history. What I love most about this author's books is historical information coupled with rich truths/facts and fantastic illustrations. I just knew I'd enjoy this book, and so many others will, too. We are living during an era where there's much talk about immigration, and immigration laws, so books like this one will usurp much diverse conversations. Adults can help children sort through puzzling questions using respectful discourse one to another..."
Amazon Customer Houston, Tx, 2015

"INTREPID is a fine new addition to the author's Little Miss HISTORY collection. Mojica does a fantastic job introducing kids and grownups to the sites and sounds of the American story. Step aboard the INTREPID warship for a tour of history by land, sea and air. Illustrations are engaging, historical photos are fantastic and you'll learn about heroes both renowned and obscure. I'm delighted to see the Little Miss HISTORY collection keeps growing and highly recommend it to classrooms and libraries as a wonderful resource for telling America's story."
Bette A. Stevenson April 24, 2015

Introduction: The Adventures of Little Miss HISTORY is a trilogy book that consists of all three New York City titles, The Statue of Liberty, Ellis Island, and Intrepid Sea, Air & Space Museum. This edition mainly for teachers who were teaching New York History and requested all three of my books.

The Adventures of Little Miss HISTORY, Volume I by Barbara Ann Mojica

Wouldn't you like to get three award-winning books for the price of two?

Little Miss HISTORY has packed three NYC historical adventures into one exciting book!

This book is perfect for teachers, homeschool parents, and history lovers.

- Visit the STATUE OF LIBERTY the symbol of hope and promise for the immigrants who passed it on their way to fulfilling their dreams.
- Walk through the Great Hall at ELLIS ISLAND as immigrants apprehensively waited in long lines to determine whether they had passed inspection.
- Tour the USS Intrepid to explore one ship's amazing history during WW II, the Vietnam War, the space age, and the war on terrorism.

WHAT YOU WILL LEARN:

- Who designed, built, and contributed to the Statue of Liberty.
 - The composition of the and what she symbolizes.
 - The role France played in the Statue's history.
 - The history of Ellis Island and its designer.
 - About the immigrants and where they came from.
 - What kinds of inspections and questions did they need to answer?
 - What happened to the immigrants who failed inspection?
 - The people who worked at Ellis Island.
 - What you can see in the Museum?
 - What part did the USS Intrepid play in World War II?
 - How did the ship contribute during the Vietnam War?
 - What happened during the Cold War?
 - What role did she play after 911?
 - What it was like to live and work on the ship?
 - What you find on the flight deck.
 - Hands-on activities in the Exploreum.
 - What is parked right next door and so much more.
- Why not start reading right now?

Five Star Review From Mamta Madhavan – Readers Favorite: The illustrations are well executed to make the concept and the information clear to children. It is a good book to have in school libraries as it can be used as reference material. The book definitely has made me more curious and eager to read more books from this author."

Review From Amazon Reviewer: The storytelling is clear, the illustrations are attractive and appealing, and the approach of having Little Miss History as both tour guide and (sometimes humorous) participant helps make the story accessible.

Review From Amazon Reviewer: The author certainly has a passion for teaching children history. This three-volume set is certain to entertain curious and knowledge-thirsty young minds.

Review From Amazon Reviewer: The illustrations are really breathtaking and a lust for the eye. I think this book is a MUST for every school kid.

From The Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

Little Miss HISTORY Travels to MOUNT RUSHMORE by Barbara Ann Mojica

"Little Miss History Travels to Mount Rushmore" is the first in a series of books using the Little Miss History character as a guide.

She looks like a wannabe park ranger with pig tails and hiking boots three sizes too big.

The aim of these books is to whet your child's appetite for visiting these landmarks while having fun learning history.

Review by P.J. LaRue: Little Miss History Travels to Mount Rushmore is an educational and fun way to introduce children to history. Ms. Mojica is a historian and retired educator, and her love of history is conveyed effortlessly throughout the book. She brings life to the presidents memorialized in stone at Mount Rushmore, along with other related characters. The illustrations are well-drawn and match perfectly with the story being told.

Review by Sarah Mazor: In "Little Miss HISTORY Travels to Mount Rushmore" author Barbara Ann Mojica overcomes the obstacle by 'enlisting' the services of an intriguing character to teach children about America's past. The adventurous Little Miss History delivers a history lesson permeated with fascinating details, which, along with the great illustrations, will no doubt appeal to young readers and captivate their imagination.

Review by Kristie Ingerto for Readers Favorite: "This is an excellent and unique way to teach children about history and historical places. There is so much information included in this book, but it is shared in a way that is easy to read and understand, and not be overwhelming for children."

Review by Richard & Liz, Top 100 Reviewer: Reading more like a picture book with a short paragraph on each page along with a full illustration, this book is GREAT for younger kids who want/need the basic facts but do not want to have to read a lengthier chapter book.

Review by Carole P. Roman, Children's Book Author: "Mojica doesn't shy from controversy regarding the bitter dispute between the United States government and the Native Americans over the land. This opens the door to discussions on how to solve the issue and appreciate the many cultures sharing American history."

Review by Books that Sow Character, Diversity & Strength: "If you are looking for supplemental history materials to help you explain lessons in a fun, accurate way, this is the book for you. Take a closer look at this book yourself, and share it with all the educators in your circle."

Review by Mother, Daughter Book Reviews: "Barbara Ann Mojica has created an impressive new series which merges a friendly leading character, eye-catching imagery, and plenty of fun facts about the history of important people and places."

Review by Kitty Muse Book Reviews: "This is a series not to be missed. History teachers will love its entertainment value, and the important facts it conveys. Kids will love it for the fun and colorful illustrations. Overall, a win-win for everyone".

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

From the Back Cover: Little Miss HISTORY Travels to MOUNT RUSHMORE is the first in a series of books using the Little Miss HISTORY character as a guide. She looks like a wannabe park ranger with pig tails and hiking boots three sizes too big. With her as your child's guide, learning about people and places of historical importance will be fun and educational. The aim of these books is to whet your child's appetite to learn more about history and perhaps even visit these landmarks with you. Little Miss HISTORY presents information in a whimsical and factual way while amusing your child. I hope you will invite her into your home and enjoy this first adventure, and those to follow, with your loved ones.

Little Miss HISTORY Travels to The Statue of LIBERTY -1st Edition by Barbara Ann Mojica

Since her last trip to Mount Rushmore, Little Miss HISTORY has journeyed more than 1700 miles over land, sea and air to reach her second destination, The Statue of Liberty. This national treasure stands proudly in New York Harbor welcoming all people to the land of freedom and opportunity.

In this 1st Edition of the series, Little Miss HISTORY will help you discover who thought of the statue in the first place, the values she symbolizes, the architects and engineers who built Lady Liberty, and the little-known individuals who contributed their pennies to make her debut in New York's harbor possible. You will learn about why she remains a promise and symbol of the hopes and aspirations of many people around the world and not just to immigrants coming to America. Come now and follow Little Miss HISTORY as she enlightens you about The Statue of Liberty!

Review by Paula Hrbacek- Pensacola Examiner - Sept. 4, 2013: A new series of children's books teaches young learners about the history of famous US landmarks. "Little Miss History Travels to Mount Rushmore", was the first in the series of books using the Little Miss History character as a guide. It won a B.R.A.G. Medallion. The author, Barbara Ann Mojica, has just released the second title about the Statue of Liberty. For full review see examiner.com/article/little-miss-history-books-take-children-to-famous-us-land.

Review by Michelle Robertson for Readers' Favorite: Little Miss History is a young girl who travels far and wide. The author skillfully informs readers of the history of the Statue of Liberty by stating facts that

include where the statue came from, who designed it, who built it, and who funded it, and what she represents. The author's partnered illustrator Victor Ramon proved brilliant as he portrays vivid, bright, and eye-popping illustrations, allowing readers to gain a full vision of what they are reading.

Review by Renee@Mother-Daughter Book Reviews: Little Miss History Travels to the Statue of Liberty is an excellent non-fiction picture book that is very kid-friendly, has high educational value, and is visually interesting. I can see this book being used by teachers or school librarians in educational settings across the United States. Ages 4+

Review by Kitty Muse Book Reviews: The only good descriptive I can come up with for this book is "amazing". And I don't mean the over-used meaning of the word. I was totally blown away by what I didn't know about the Statue of Liberty. This story is not just for kids. The one who reads the book and the one who hears the narrative will both benefit from the telling.

Review by Bonnie Ferrante, Retired Teacher, Author of "Too Quiet, Too Noisy" and "The Amida Tree": Little Miss History Travels to the Statue of Liberty is another hit for Barbara Ann Mojica. Her illustrations are true gems. Children aged seven and up, and adults as well, will learn from and enjoy this book. Highly recommended.

From the Author: "If you don't know your history, you don't know what you're talking about."

From the Back Cover: Since her last trip to Mount Rushmore, Little Miss HISTORY has journeyed more than 1700 miles over land, sea, and air to reach her second destination, the Statue of Liberty. This national treasure stands proudly in New York Harbor welcoming all people to the land of freedom and opportunity. In this second book of the series, Little Miss HISTORY helps you discover who thought of the Statue of Liberty in the first place, the values she symbolizes, the architects and engineers who built Lady Liberty, and the little-known individuals who contributed their pennies to make her debut in New York's harbor possible. You will learn about why she remains a promise and symbol of the hopes and aspirations of many people around the world and not just to immigrants coming to America.

About the Author: Barbara Ann Mojica, M.A. S.A.S., S.D.A is a historian and retired educator. Her education career spans more than forty years serving as a teacher, special educator, principal, and school district administrator. Barbara writes monthly historical articles for the Columbia Insider under the banner "Passages." Using the whimsical Little Miss HISTORY character to narrate her book series, Barbara hopes to educate, entertain, and inspire children to learn about historical people and places. Little Miss HISTORY'S antics make reading nonfiction a fun-filled adventure for all ages. She firmly believes, "If you don't know your history, you don't know what you're talking about."

The Little Miss HISTORY book series has garnered two dozen awards including B.R.A.G. Medallions, International Book Excellence Awards, International Readers' Favorite Awards, Eric Hoffer, and Independent Author Network Awards

Little Miss HISTORY Travels to SEQUOIA NATIONAL PARK by Mrs. Barbara Ann Mojica

- 2017 BOOK EXCELLENCE AWARD WINNER IN CHILDREN'S NONFICTION
- 2017 READER'S FAVORITE FINALIST AWARD
- JUVENILE/NONFICTION 2014 HONORABLE MENTION
- CLIPPA AWARDWINNER OF A B.R.A.G. MEDALLION

In Book Three of the series, Little Miss HISTORY is flying across the North American continent to the recesses of Sequoia National Park, where she skydives into "land of the living giants." Through breathtaking illustrations, adventurers will traverse its trails and immerse themselves in the awesome beauty and magnificence of Sequoia National Park. Readers will also discover the hidden dangers lurking there.

WHAT YOU WILL LEARN...Things to do in this park· The differences between redwood and sequoia trees· Famous places in the park· What can be made from these trees· How many animals live in the park· What kind of animals are found here· Who is the Father of National Parks· What president built a stairway to Moro Rock· What "living memorial" to veterans is here· What is the big problem in Sequoia National Park· Is there a solution to this problem.

Review by Mamta Madhavan for Readers' Favorite: The author has covered diverse topics associated with the Sequoia National Park - the history that dates back to the Native Americans, trees, the Gold Rush, the different species of wild animals found there, air pollution, and the creation of the National Park. The book makes history lessons interesting for students and makes them more curious to learn about history and National Parks. The book is highly useful for teachers, parents, and educators to use in classrooms and homes.

Review by Charles Bray, UK Educator: "From the wonderful, rhyming introduction, through to the prelude to her next book, the young reader is treated to a veritable treasure trove of facts that are gleaned from an exciting visit to the Sequoia National Park. I have tutored children in the UK for many years and am fully aware that it is always imperative to hold the child's attention by providing interesting stimuli around the subject." Barbara Ann Mojica delivers on all fronts with this great little book.

Review by Reviewed by Judith Addington, CEO of Cool Kids: "...such a fun way to learn history!! This book starts with a bang ... and is packed full of historical facts about Sequoia National Park told in a way that will entice children to become curious about finding out more. I know I am!"

Review by Werner Stejskal, Children's Book Author: "What can I say that has not been said before? Marvelous illustrations and a neat way to keep learning interesting for kids. Who has not been bored by school lessons? This book series will hold the children's interest and surely visual learning stays with you much longer."

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

From the Back Cover: WHAT READERS ARE SAYING: " I love Barbara's books- they are treasures to be unwrapped and gifts to be opened and read for kids and adults alike! by Judith
"If you are looking for supplementary history materials to help you explain lessons in a fun, accurate way, this is the book for you." by Books That Sow Strength, Character & Diversity

Little Miss HISTORY Travels to FORD's THEATER by Barbara Ann Mojica

A single shot rings out; laughter turns to tears. President Abraham Lincoln is assassinated, and history is changed forever. The theater is closed and later collapses. Is Ford's Theater forever cursed or will it rise again to greater glory?

Winner of the 2015 Independent Author Network Award for Outstanding Nonfiction Children's Book.

Review by Renee, Mother-Daughter Book Reviews: "...Little Miss History Travels to Ford's Theatre is yet another winner by author Barbara Ann Mojica...This book is a great jumping off point for larger discussions around a key time in American History. "

Review by Charla White, Words-A Plenty: "...The writing is done in an engaging manner and holds the child's attention. I shared this book with my 13-year-old grandson who is an aficionado for all things Lincoln, and he discovered things he was not aware of either. An excellent children's book that parents will enjoy reading with their children!"

WHAT AMAZON READERS ARE SAYING:

- "This book could help hook young children into a lifelong love of reading."-Amazon Reviewer
- "This is a wonderful educational book for children of any age to become familiar with the people and historical events that helped shape our great nation." Amazon Reviewer
- "These books teach history in a fun and fascinating way. I learn something each time I read one. This book will be reread by your child and it also creates excitement that will want your child to visit these places to see the history in person." Amazon Reviewer
- "Turning the pages is like visiting an interactive museum and taking a journey through each milestone. Little Miss History "travels" and so do we, enjoyably so - and I am sure to the bookshelves of many fans of this delightful series." Amazon Reviewer
- "What a clever way for children to learn and grasp history! Learning historical facts in such an organized and succinct manner makes remembering facts much more fun, and easier." Amazon Reviewer
- "The book goes over more than just the infamous assassination of President Abraham Lincoln. It describes the history of the theater from its inception to its current purpose. It doesn't sugar coat history, but rather describes the theater, the assassination, and details what happened to the theater afterward. She doesn't gloss over any of the important pieces and in fact, offers the smaller details that can get overlooked." Amazon Reviewer
- "I love the way little Miss History dramatically reacts to the events on each page, from the horror of the Civil War to the tragedy of Lincoln's death. As much can be learned from the illustrations as from the actual text." Amazon Reviewer

Little Miss HISTORY Travels to INTREPID Sea, Air & Space Museum by Barbara Ann Mojica

"With colorful images and full-color photographs, Mojica explores what you can discover about the famous Intrepid. This is a wonderful opportunity to learn about United States history, naval history and more. The simplicity of how Barbara Ann Mojica shares the information makes it easy to go back and pick out different pieces to research further. This is not a book to read through quickly and stick on a shelf. Even more exciting is the realization that Little Miss HISTORY is a series, so there are other books to explore." - What is Ellis Island and why is it so important to our history?
- Find out about the history of the island and who designed the immigration building. Walk in the footsteps of the immigrants as they waited on long lines in the Great Hall before, they answered questions, underwent medical examinations and were categorized. Meet some of the people who worked on Ellis Island and view the faces of the immigrants on the walls of the Museum. **WHAT YOU WILL LEARN** Who was the first immigrant?
- How many questions were asked?
- How long did the medical exam take and how were immigrants marked?
- What percent failed inspection and what happened to them?
- How many Americans trace ancestors through Ellis Island?
- Why did Ellis Island get the nickname, "Island of Tears?"
- Learn about the "sad side" of the island and what happened after it was closed to immigration.
- Meet some of the inspectors.
- What happened on Ellis Island during World War II and the Cold War
- See photographs of the immigrants and trace their pathway to America
- Learn about the Cold War
- The argument the Supreme Court settled in 1998
- Begin your journey now by clicking on the Buy Now button.

Review by Emily-Jane Hills Orford for Readers' Favorite: Little Miss HISTORY wants to discover all there is to know about Ellis Island, the spot where thousands of immigrants learned their fate. She invites young readers along for the ride as well as a fascinating study in American history. Little Miss HISTORY Travels to ELLIS ISLAND is the sixth book in BARBARA ANN MOJICA'S series. The illustrations are wonderful and it looks like a travel diary as the illustrations carry the story while the text states historical facts and interesting tidbits.

Review by Judith Addington, Leadership catalyst, Entrepreneur, Founder/CEO - COOL CATS: Another winning book in the Little Miss History series by Barbara Ann Mojica! I love these books filled with information, fun facts about history, marvelous illustrations, and some surprises along the way! I am always astonished at what I don't know about history, and Barbara's books make history zing.

Review by Diane Mae Robinson, Multi-award-winning children's author:

The author has a wonderful writing style, which is concise yet reveals tons of information, and the mixture of photographs and wonderful illustrations add a truly unique feel to the book. The author has a gift for making history fun. Readers of all ages will love this book and this whole series.

Review by Kinsman Book Gang, Top of the Wardrobe, book series author: When I discover that a new Little Miss History book is out, I always know that I'm going to learn something new. I love the part illustration/part photographic style of this whole series of books and think the interesting snippets of information on each page are a great way for even the most reluctant young reader to absorb new facts.

Review by Betty Davis, Author of The Worldly Adventures of Nicholaas book series: As always Barbara does a wonderful job of making history easy to understand and gives you facts many may not know. As a history buff myself I would encourage any elementary school child or adult to read this book. It's by far a journey you won't want to miss!

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

Little Miss HISTORY Travels to MOUNT VERNON by Barbara Ann Mojica

- WINNER OF A B.R.A.G. MEDALLION
- WINNER OF THE 2018 INTERNATIONAL BOOK EXCELLENCE AWARD IN CHILDREN'S NONFICTION
- WINNER 2018 READER'S FAVORITE INTERNATIONAL BOOK AWARDS SILVER MEDAL IN CHILDREN'S EDUCATIONAL BOOKS

Who was George Washington? Washington is best known as America's first president, but he was also a military hero. If you asked George Washington what he really wanted to be, he would reply, "a farmer." Seeking to revolutionize antiquated 18th-century farming methods, Washington experimented with crop rotation, fertilizers, plowing, and plants. The Mount Vernon Ladies Association began restoring his estate to its former glory in 1853. Today the buildings, grounds and The Donald W. Reynolds Museum and Education Center reveal the real Father of the United States of America.

WHAT YOU WILL LEARN:

- Who designed Mount Vernon and what was his plan called?
- The roles George Washington played in America
- The rooms in the Mansion House
- Who gave Washington a special gift in the foyer?
- The people who lived at Mount Vernon
- The buildings on the grounds
- Life as a slave
- The president who donated bricks from the White House
- See artifacts from the family in the Donald W. Reynolds Museum
- Washington's Tomb and Memorial

- The Slave Memorial
- George Washington's opinion on slavery
- Maybe you can't take a trip to MOUNT VERNON right now, but you can click on the Buy Now button to begin reading.

Review by Reader's Favorite, Vernita Taylor, Reviewer: "History improves the mind and expands our knowledge of the past."

Review: Little Miss HISTORY Travels to MOUNT VERNON (Volume 7) is a beautiful, colorful children's book in which Little Miss HISTORY guides you on a journey back in time to George Washington's Mount Vernon mansion and plantation. You will learn about his way of life, 18th century farming methods, and the slaves who were the backbone of the plantation. What issues troubled George Washington? Come see how the first President of the United States lived, worked, and died.

Review: "Little Miss History Travels to Mount Vernon" by Barbara Ann Mojica is a different way to learn more about history. Is interesting to know that George Washington loved life on the farm. He was in Mount Vernon where he had this plantation of so many acres that was divided into five farms, and on one of them was the mansion where he lived with his wife.

Review by Paola Belloso (age 9) for Reader Views (01/17): In "Little Miss History Travels to Mount Vernon," you will learn and see many things, just like if you were visiting the place. The details of his bed, the library, or even the kitchen and bedrooms of the slaves. It is a fun way to learn with actual pictures of what you are reading. Until I visit the mansion, I will keep it in my memory. I loved the pictures and Little Miss History, too.

A Note from Paola's Mom: What Paola most like about this series was the fact that she was reading about George Washington in a different way, learning other aspects of his life and observing the details in the illustrations.

Little Miss HISTORY Travels to LA BREA TAR PITS & MUSEUM by Barbara Ann Mojica

- WINNER OF A B.R.A.G. MEDALLION
- 2018 TOP SHELF AWARD - FINALIST IN CHILDREN'S NONFICTION 2018
- READERS FAVORITE INTERNATIONAL BOOK AWARDS FINALIST IN CHILDREN'S BOOKS GRADE 4-6.

Ever wonder about life in the Ice Age? Little Miss HISTORY travels back in time to LA BREA TAR PITS & MUSEUM in her eighth adventure of the award-winning "Little Miss HISTORY Travels to" children's book series. Springs of liquid petroleum and a great lake of pitch, filled with exploding bubbles, once dotted the landscape of modern Los Angeles.

At La Brea scientists discovered fossils of plants and animals like mammoths, sloths, and saber-tooth tigers that lived thousands of years ago. The George C. Page Museum contains a glass-enclosed laboratory nicknamed the "Fish Bowl" where visitors can see scientists at work cleaning and categorizing current fossil discoveries. Visitors will discover wonders as they meander through the Pleistocene gardens, view an Ice Age film, and gaze down into the pits - but Be careful! Watch out for those tar seeps.

WHAT YOU WILL LEARN:

- What does La Brea mean?
- Where is it located?
- What are tar pits made of?
- How old are they?
- What are fossils?
- What is the Observation Pit?
- What is Pit 91? The differences between carnivores and herbivores What's in the Fish Bowl?

- Scientists who worked at La Brea.
- Who is George Allen Hancock?
- Who is George C. Page?
- What exhibits are in the museum?
- What is a paleontologist?
- What is a geologist?
- What is the Paleolithic Age?
- What kind of animals got trapped in the tar and how?

Got a minute? Begin your adventure back to The Ice Age.

5 Star Review by Marie-Hélène Fasquel for Reader's Favorite: Little Miss History Travels to La Brea Tar Pits and Museum by Barbara Ann Mojica is not just an educational book about La Brea Tar Pits and its museum, but is an adventure, the story of a little girl and her love for history. It is also a very enjoyable and entertaining story which will be successful with all children while teaching them about the history of their country and will make them feel like visiting this wonderful museum. The explanations are always easy to follow and are well explained such as: "This part of Los Angeles sits about one thousand feet above an oil field. The pressure in the rocks below pushes oil up through cracks." The glossary at the end of the book will prove very useful to children. I wholeheartedly recommend this lovely book!

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

Little Miss HISTORY Travels to The NORTH POLE by Barbara Ann Mojica

- Ever feel like you're standing on thin ice?
- Here at the northernmost point on Earth, no land lies below. Are there seasons?
- Who lives here?
- What does Santa look like and where does he live?

This is the ninth book in the children's history series with Little Miss HISTORY arriving at the North Pole in a sled pulled by four huskies.

What you will learn:

- Location of the North Pole.
- What's under it?
- How often you see sunrise and sunset?
- Animals you might find.
- First explorers.
- The first African-American explorer.
- Who owns the North Pole?
- What is the Arctic Circle?
- What is the tundra?
- What land masses are close to the North Pole?
- How many countries are in the Arctic region?
- Who is called Inuit and where do they live?
- What does the term indigenous people mean?
- Who is Thomas Nast?
- What are some names for Santa Claus?
- When does Santa deliver gifts?

- Who is Odin?
- Who is the real St. Nicholas?
- Who wrote the poem, "Twas the Night Before Christmas"?
- In the 1930s what did Santa advertise?
- Does Santa have helpers?
- Why does the North Pole have no time zone?
- What are International Waters?
- What countries claim the Lomonosov Ridge and why?

Review: Little Miss History Travels to the North Pole by Barbara Ann Mojica is a story that features a young girl who opens by explaining why her parents gave her the nickname "Little Miss History"; she constantly asks questions about the past. Her travels to the North Pole show her driving a sled drawn by huskies and walking with ski sticks, all on brilliant white snow. Lines of longitude, lack of a time zone, the "land" being a floating sheet of ice in the Arctic Ocean, summer and winter temperatures and sunlight times, wildlife as in birds, fish, and mammals, explorers, the countries that surround the pole, the indigenous people - it is all here, beautifully illustrated with pictures, and maps, and written in a clear font. Can you resist finding out the truth about Santa Claus?

This is a book written for children, and its appeal is undeniable. I loved the chatty style that subtly hides the "educational" aspect, but Barbara Ann Mojica sets out to teach and she succeeds. I learned a lot I didn't know, and any child would absorb the fascinating facts so clearly and entertainingly explained, and, of course, drawn in by the promise of finding out about Santa Claus. By the time they can read and understand this enchanting book, they know he's make-believe, isn't he? He has many other names dug from the mists of time by Little Miss History. Little Miss History Travels to the North Pole is the perfect Christmas gift, and sure to be welcomed by schools at any time.

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

**Little Miss HISTORY Travels to Hyde Park, Home of FRANKLIN D. ROOSEVELT:
Presidential Library & Museum by Barbara Ann Mojica**

- WINNER OF THE B.R.A.G. MEDALLION
- 2019 BOOK EXCELLENCE AWARD FINALIST IN CHILDREN'S NONFICTION BOOKS

Step inside the house where FDR made history!

WHAT OTHERS HAVE TO SAY ABOUT THE LITTLE MISS HISTORY BOOK SERIES:

- "Turning the pages is like visiting an interactive museum and taking a journey through each milestone. Little Miss History "travels" and so do we, enjoyably so - and I am sure to the bookshelves of many fans of this delightful series." Amazon Reviewer
- "This is a series not to be missed. History teachers will love its entertainment value, and the important facts it conveys. Kids will love it for the fun and colorful illustrations. Overall, a win-win for everyone."- Reviewed by Kitty Muse Book Reviews
- "My heart has always been here. It always will be."

How did Franklin Delano Roosevelt's upbringing at Hyde Park influence the role he played in guiding the country through an economic depression and World War II?

You will learn:

- About the rooms and functions of the home.
- FDR's family life.
- The various roles he served in government.
- His hobbies and interests.
- FDR's physical struggles.
- The government programs set up to ease the depression.
- "Fireside Chats".
- Dignitaries who visited.
- About Eleanor's Val-Kill cottage.

President Roosevelt was the first president to give his papers to the people. Read about the library he designed and the treasure trove of resources within.

You will learn:

- About the Great Depression.
- The New Deal Programs.
- World War II exhibits.
- About the way FDR worked and communicated with the people.
- How Eleanor Roosevelt acted on FDR's behalf.
- The role of Eleanor in the United Nations.
- The accomplishments of FDR's four terms.

In FDR's words, "The only limit to our realization of tomorrow will be our doubts of today."

Review by Jack Magnus for Readers' Favorite: "This book is a fascinating look at our most iconic president and his home, Hyde Park. I loved learning more about FDR, especially his hobbies, the stables where he spent so much time as a boy and the details about his presidential library." "The photographs of Hyde Park are stunning! I'm planning on reading more books in this series based on the excellence of this one. This book is most highly recommended." 5 Stars

Review by the Book Excellence Awards: Little Miss History Travels to Hyde Park is a wonderful addition to the Little Miss History Series by Barbara Ann Mojica. The illustrations are beautiful and the story is very entertaining. Mojica writes the book in both an informative and fun way that encourages children to learn

more about history and to visit the landmarks shared in the stories. All the books are must reads for every child's library!

From the Author: "IF YOU DON'T KNOW YOUR HISTORY, YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT."

The Little Miss HISTORY book series has garnered two dozen awards including B.R.A.G. Medallions, International Book Excellence Awards, International Readers' Favorite Awards, Eric Hoffer, and Independent Author Network Book of the Year Awards

From the Back Cover: This Little Miss HISTORY adventure is a glimpse into the life of a man who led America out of an economic depression, to victory in World War II, and on the path to world leadership. Roosevelt was the first president to give his papers to the people. The Presidential Museum at Hyde Park is a premier research center that contains exhibits from the Great Depression, the New Deal and World War II. Step inside the house where FDR made history.

Did you ever wonder?

- What it would be like to live and survive in the Wild West?
- About what kind of people lived and worked in a mining town?
- The machinery and tools they used?
- Step back in time to become a prospector in the Goodenough Mine.
- Walk the streets with cattle rustlers and outlaws.
- Watch the Earp brothers attempt to restore order.
- Take part in the gunfight at the OK Corral.
- Ride on a stagecoach.
- If you are lucky, you won't end up in Boot Hill Cemetery.

Review by Lois J. Wickstrom for Readers' Favorite Review: Five Stars. "From silver mines to gun battles, from general stores to gambling saloons, this book introduces the colorful beginnings of Tombstone

Arizona and even explains how it got its unusual name. ...You don't need a life-or-death crime, a robbery, or other stuff from which movies are made to be worthy of investigation. In Little Miss History Travels to Tombstone Arizona by Barbara Ann Mojica, folks who start businesses in the wild west, help their country folk, and pursue law and justice make their mark."

From the Author: "If you don't know your history, you don't know what you're talking about."

**Little Miss HISTORY Travels to INDEPENDENCE HALL &
The Museum of the American Revolution by Barbara Ann Mojica**

WHY DOES INDEPENDENCE HALL NATIONAL PARK INSPIRE FREEDOM-LOVING PEOPLE EVERYWHERE?

YOU NEED TO READ THIS BOOK TO GET THE ANSWERS.

- Visit the birthplace of the United States.
- Learn about the history of Independence Hall.
- How was the federal Constitution created?
- What is the Declaration of Independence?
- How did women, slaves, and workers view it?
- How did the revolutionaries survive against a great world power?
- Witness George Washington's sleeping tent and military headquarters.
- How did the Revolution tear apart the colonies?
- What kind of nation did it create?
- Find out why abolitionists, suffragettes, and freedom-loving people embraced the Liberty Bell.
- What is the significance of Christ Church Burial Ground?

Review by Bjonsmom, September, 2020: "As a Philadelphia native, I've walked these cobblestone streets, visited the homes and shops on Elfreth's Alley, and stood in the hallowed Halls where American Freedom and Liberty were born. Today, as all of our freedoms teeter on the edge, it is more important than ever that we impart this history to our children."

Reviewed by Lois Wickstrom for Readers Favorite: "Little Miss History certainly picked a site where history is preserved and loved when she picked Philadelphia. The book is a brief history of the American Revolution, its architecture, and the writing of the Constitution and the Bill of Rights. Come to Philadelphia and see all these sights and more."

From the Author: "If you don't know your history, you don't know what you're talking about."

Little Miss HISTORY Travels to The Battleship IOWA: Volume 13 by Barbara Ann Mojica

WINNER OF A BRAG MEDALLION.

FINALIST BOOK OF THE YEAR JUVENILE, YOUNG ADULT NONFICTION.

Why was the USS Iowa such a powerful fighting force? What would it be like to live and work on "The Grey Ghost"? How did the ship's weapons evolve throughout its history? What was FDR's secret mission, and what near-miss almost changed the course of history? What other disaster took place on board, and who was the ship's mascot? Join Little Miss HISTORY as she takes you aboard The Battleship USS IOWA for some answers.

Review by Carole P. Roman, award-winning children's book author.

"Mojica knows kids and how to write to them. She introduces complex ideas and makes them palpable for young minds. This is a great way to introduce a child to the assorted players that helped shape this country."

Review by READERS FAVORITE, 5 stars.

..."If you like naval history, this book is for you."...

..."The photographic tour of the ship allows young readers to imagine what life was like aboard the Iowa.

..."Even adults who enjoy history will enjoy this book as they read it with their children."

From The Author: "If you don't know your history, you don't know what you're talking about."

Little Miss HISTORY COLORING BOOK (Volume 1) by Barbara Ann Mojica

Ready for some fun? Now you can color some of my adventures in this first of my coloring books. Grab those crayons, pencils or markers and put your colors on these historical people and places.

Review by Rosie Malezer for Reader's Favorite Five Stars: "This coloring book will actively encourage young readers to follow up and learn more about some of the people who have been so instrumental in carving out the world in which we live today. Famous quotes in history, made by truly memorable historical figures, are shown throughout the book, accompanied by detailed, full-page black and white illustrations which are just ripe for the coloring.... With art and history combined, it is almost like a small classroom which will keep children busy and entertained for hours on end, in quite a productive way."

Review by - Deanie Humphrys-Dunne, children's book author: "Children will not only enjoy coloring the beautiful illustrations, but they'll feel connected with famous people in history. They'll be more informed about people from our past. I loved the book and highly recommend it."

Review by Jessica B. Adams, children's book author: "My girls do not usually like history, but they enjoyed coloring in this book and learning about famous people in history became interesting to them!"

Review by Amazon Reviewer: "This exquisite coloring book, illustrated by Victor Mojica, the same gifted artist whose stunning work adorns the first seven books, is challenging and inspiring."

About The Author: Barbara Ann Mojica, M.A. S.A.S., S.D.A is a historian and retired educator. Her education career spans more than forty years serving as a teacher, special educator, principal, and school district administrator. Barbara writes monthly historical articles for the Columbia Insider under the banner "Passages." Using the whimsical Little Miss History character to narrate her book series, Barbara hopes to educate, entertain and inspire children to learn about historical people and places. Little Miss History's antics make reading nonfiction a fun-filled adventure for all ages. She firmly believes, "If you don't know your history, you don't know what you're talking about."

The Little Miss HISTORY book series has garnered more than two dozen awards including B.R.A.G. Medallions, International Book Excellence Awards, International Readers' Favorite Awards, Eric Hoffer, and Independent Author Network Awards.
