**About The Author:** Chris Karlsen is a retired police detective. She spent twenty-five years in law enforcement with two different agencies. The daughter of a history professor and voracious reader, she grew up with a love of history and books.

An internationally published author, Chris has traveled extensively throughout Europe, the Near East, and North Africa, satisfying her need to visit places she read about. Having spent a great deal of time in England and France, she used her love of both places as settings for her Knights in Time (5 book) series.

Author Chris Karlsen presents her Historical Romance and Historical Suspense Thrillers and Historical Love & War series.

Her series now include Knights in Time series, the Bloodstone series, Love & War series, Dark Water series and a Holiday short story selection: Choosing Home or Heart. Her novels are available in digital, e-book, Android App, paperback, audio format, and some books are presented in foreign language format.

A Chicago native, Chris has lived in Paris, Los Angeles, and now resides in the Pacific Northwest with her husband and two rescue dogs. A city girl all her life, living in a small town on a bay was an interesting adjustment. She'd never lived anywhere so quiet at night and where traffic wasn't bumper to bumper 24/7.

Some of Chris's favorite authors are: Bernard Cornwell, Michael Connolly, Joseph Wambaugh, Julia Quinn, Julie Anne Long and Deanna Raybourne.
