Kathryn Lane is a master of suspense and action and character, and in *Stolen Diary* she extends her skills with the story of Jasmin, a brilliant, artistically talented child who seeks to uncover the secrets about her family. The explosive story that unfolds in *Stolen Diary* is enthralling and exciting and will take readers' hearts to unexpected places. Kathryn Lane has given us a gift.
 —Lowell Mick White, author of *Normal School*

Stolen Diary explores the challenges that Jasmin, a gifted yet socially awkward child, faces growing up with a disengaged mother. Her grandfather unwittingly creates further tension between Jasmin and her mother by encouraging her genius.

Unable to deal with her mother's rejection, Jasmin escapes into a world of her own, a world of science and music, until she suspects family secrets are being kept from her. She steals her mother's diary in hopes of finding clues to uncover the truth. When she fails to detect any, she hides the diary, creating a secret of her own that brings unforeseen and fateful consequences.

When a kidnapping threat becomes reality, Jasmin's world is altered. The upheaval exposes the roots of her mother's disdain and provides the clues Jasmin must pursue if she is to unravel the family secrets.

National Association of Independent Writers and Editors: We are pleased to share with you that your book, Stolen Diary, was selected from over 100 entries in the 1st Annual NAIWE Book Awards Contest! And it was selected to represent this genre because the language was inviting and the mystery intriguing-the suspenseful way that you developed the storyline with the careful timing of the reveal of information and with the initial challenges being revisited by the main character over and over again to bring the story full circle!

Review by TommyK: 5.0 out of 5 stars Her best to date! Reviewed in the United States on January 20, 2023. Stolen Diary, with all its twists and turns, keeps you riveted from the beginning to the end. A must read!

MISSING IN MIAMI

A woman is dead, a teenager is missing, and the partners of a vacation stem cell travel agency in Miami are suspects. One partner is the father of the missing girl and the other one is the husband of the murdered woman. The widower is unreachable, having taken clients on a stem cell therapy trip to the Caribbean.

Nikki Garcia investigates the girl's disappearance and, in the midst of conflicting testimony from witnesses, it's impossible to distinguish victims from perpetrators. Following a trail of evidence, Nikki and Eduardo, her husband, assume undercover identities and fly to Havana, Cuba, only to find a world of deceit, betrayal, and espionage.

When Eduardo locates the widower, he attempts to gather sensitive information on the missing teenager and reveals more information than he should. Nikki's colleagues in her Miami private investigator office fear the worst when communication with her becomes impossible.

Will they manage to escape the fate they both fear? And what about the missing teenager – will she be found before it's too late?

If you love women sleuths, crime fiction, and the mystery and suspense novels of John Grisham, Kristi Belcamino, and Isabella Maldonado, you will also love Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series.

MISSING IN MIAMI IS A GRIPPING READ THAT HAS THE RING OF AUTHENTICITY TO IT. KATHRYN LANE KNOWS WHAT SHE'S WRITING ABOUT. I LOVED THE CUBAN SCENES. IF NIKKI GARCIA EVER DECIDES TO LEAVE THE DETECTIVE PROFESSION, SHE HAS A FUTURE IN THE SPY BUSINESS. I'D HIRE HER IN A HEARTBEAT.

—JAMES M. OLSON, FORMER CIA CHIEF OF COUNTERINTELLIGENCE, AND THE AUTHOR OF TO CATCH A SPY: THE ART OF COUNTERINTELLIGENCE.

Missing in Miami is a gripping read that has the ring of authenticity to it. Kathryn Lane knows what she's writing about. I loved the Cuban scenes. If Nikki Garcia ever decides to leave the detective profession, she has a future in the spy business. I'd hire her in a heartbeat. –James M. Olson, former CIA Chief of Counterintelligence, and the author of To Catch a Spy: The Art of Counterintelligence.

Review by S. Lee: 5.0 out of 5 stars A nail-biting page-turner, with a great sense of place. Reviewed in the United States on August 11, 2022. Verified Purchase. I enjoyed reading this latest mystery in the Nikki Garcia detective series. Nikki is a private investigator in Miami, and she's been assigned to search for Andrea, a missing teenager. Right away, Nikki notices that the girl's parents are behaving oddly and withholding critical information. Early in her investigation, Nikki finds the dead body of a woman wearing one of Andrea's blouses; although the body turns out not to be Andrea, it belongs to a family acquaintance, and there's no love lost between the victim and Andrea's mother.

Andrea has some medical issues that have been treated with stem-cell therapy in Cuba. Her father is part-owner of a travel agency that arranges medical trips to Cuba and other destinations where patients can obtain treatments not available in the United States. Nikki suspects Andrea may have been taken to Cuba again.

Nikki and her hunky doctor husband, Eduardo, assume fake identities and travel to Cuba, where there is a medical conference going on. Eduardo runs into Dr. Urbano Barriga, Andrea's godfather and her father's business partner. Eduardo shares too much information and, as a result, he and Nikki are followed and arrested.

This was a nail-biting page-turner, with a great sense of place. Highly recommended.

Review by Ann McKennis: 5.0 out of 5 stars Another excellent read! Reviewed in the United States on February 23, 2022. Verified Purchase. Nikki Garcia takes us on another exciting adventure. Kathryn Lane's books are so well researched that you learn a great deal in each book while still being thoroughly entertained. Each book is like a travel guide filled with descriptions of places and customs of the country. They make you want to hop on a plane and go explore. I've never been to Miami, but feel like I have through the vivid descriptions and storytelling.

Review by Easywriter: 5.0 out of 5 stars Mysterious murders in Miami require a dangerous trip to Cuba' Reviewed in the United States on February 24, 2022. Verified Purchase. Kathryn Lane has written another very exciting and informative book. Her research into every subject is thorough. What a pleasure to be surprised page after page, and to be painlessly educated by the thoughts and actions of complex people from around the world. Kathryn has given us vulnerable young people, selfish and manipulating adults, surprising enemies and welcome supporters. I will impatiently await newly-wed Nikki and Eduardo's next adventure.

Review by Jackie Covey: 5.0 out of 5 stars GREAT READING. Reviewed in the United States on June 4, 2022. Verified Purchase. I find Nikki an easy read and always full of suspense Can't wait for her next adventure!!!

Review by Clifford Hudder: 5.0 out of 5 stars The suspense is NOT missing! Reviewed in the United States on February 28, 2022. Nikki Garcia is back in this fourth installment of Kathryn Lane's series, and boy is she in trouble this time. It's bad news for her and new husband Eduardo (who's brought directly onto the case: a sometimes helpful, sometimes bumbling sidekick)—but great for readers seeking hair-raising suspense and smart writing. The sexy accounting auditor has come into her own as a successful licensed Private Eye and is on the job after the disappearance of sixteen-year-old Andrea from her Miami school. Displaying the fruits of Kathryn Lane's characteristic deep research, *Missing in Miami* encompasses Voodoo, spycraft, stem-cell research, and US-Cuban relations in the post-Castro era in a book filled with relentless surprises. As a character notes, everyone in the narrative is "reshaping reality to fit their needs," with nobody really whom they seem to be: not even the parents who've hired the Security Source Agency to locate their missing daughter in the first place. In the course of Nikki's dogged investigation masks are removed, hidden identities revealed, and a murder uncovered . . . but where is Andrea? How can she be returned to her true home? And what is that true home? Although the title might be *Missing in Miami* the action gets Hot in Havana, a place Lane manages to present as both an unsavory city dripping with threat and corruption, and as a seductively mysterious destination made more enticing given its inaccessibility to US Citizens in the current global climate. (Not necessarily a place for fine dining, however. Nikki—in the spirit of the true gourmand we've come to expect from the first three books—finds Cuban food excellent,

“Outside of Cuba.”) Lurking always in the side streets is the Information Directorate, or ‘DI,’ Cuba’s secret police, known for ghosting away nosy foreigners who’ve lied about their country of origin to the kinds of prisons where “conditions are deplorable, among the worst in the world.” Lane has succeeded in keeping the fast-paced, edge-of-your-seat promise of this series alive, while simultaneously informing readers about the atmosphere, cultural quirks, and—yes—food of unusual locales. I’m ready for volume five!

Waking Up In Medellin by Kathryn Lane

A Nikki Garcia Mystery.

Named "Best Fiction Book of the Year" by the Killer Nashville International Mystery Writers' Conference.

Struggling with the ghosts of her young son's tragic death a few years earlier, Nikki Garcia accepts an assignment to investigate fraud allegations at a company. She discovers two unexplained deaths have occurred and soon finds herself grappling with high stakes, mega-money corruption. When a third person dies at the company, she suspects a much darker plot is at play.

Nikki attends a company party thinking she can uncover tightly held secrets that will help solve the sinister plot she suspects. Instead, she meets a medical doctor and feels an immediate attraction to him. As her relationship with him deepens, so does the danger she finds herself in.

After receiving a veiled threat to her life, she hires a former CIA operative to assist her.

Then she's kidnapped.

Is the charismatic doctor part of the sinister plot? Before long, she realizes it is up to her to escape and keep herself alive.

If you love women sleuths, crime fiction, and the mystery and suspense novels of John Grisham, Kristi Belcamino, and Isabella Maldonado, you will also love Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series.

Waking Up in Medellin isn't your run-of-the-mill thriller, but a powerful story of conflicts that escalate swiftly. — Romuald Dzemo for Readers' Favorite

Review: The story has many strong characters and the supporting cast is a necessary part of the story, however, through-out it really comes down to the two main characters, Nikki and her Doctor. There are so many good guys, bad guys, and many that can go either way that the story moves at lighten speed toward an explosive finish. Ironically, encapsulated within the story, are tidbits of fact and interest that are stories within the story and amazingly they add more spice than seems possible, almost as a breather from the ever-building suspense. Grisham comes to mind, a great story accompanied by teaching another culture, as a comparison to this tale.

From The Back Cover: Named "Best Fiction Book of the Year--2017" by the Killer Nashville International Mystery Writers' Conference. Waking Up in Medellin by Kathryn Lane is as hard to put down as an unscratched lottery ticket. Nikki Garcia is the accountant version of James Bond. The story is set in Medellin, Colombia, and moves at lightning speed toward an explosive finish. As a comparison, Grisham comes to mind. Review by Robert Selby, screenplay writer, book reviewer, and volunteer at the Killer Nashville International Mystery Writers' Conference. Waking Up in Medellin isn't your run-of-the-mill thriller, but a powerful story of conflicts that escalate swiftly and culminate in a satisfying denouement. Review by Romuald Dzemo for Readers' Favorite

Despertando en Medellin: Una Novela de Suspenso (Spanish Edition)
by Kathryn Lane Terrazas (Author), Jorge Lane Terrazas (Translator)

Imagina comenzar una tarea laboral para luego descubrir dos inexplicables muertes que ocurrieron recientemente y el posible tráfico de drogas dentro de la empresa. Eso precisamente es lo que Nikki enfrenta mientras investiga una filial.

Nikki García ha sido enviada por su empresa a investigar acusaciones de fraude en la filial colombiana. En el curso de la investigación, tiene que lidiar con asuntos riesgosos y corrupción que comprende cantidades cuantiosas de dinero, a la vez que le aflige la sombra de la trágica muerte de su joven hijo pocos años antes.

Al llevar su investigación a cabo, ella conjetura que las muertes aseveradas como accidentales han de estar relacionadas con posibles actividades de tráfico ilícito de drogas y sospecha la existencia de un complot siniestro. Después de ser el objeto de una amenaza, ella contrata a un exagente de la CIA para que le ayude.

Ella asiste a una fiesta de la compañía a fin de descubrir secretos celosamente guardados que le posibiliten resolver el complot que sospecha. No descubre nada y, al contrario, conoce a un doctor médico e inmediatamente siente una fuerte atracción por él. Mientras se profundiza su relación con él, el peligro

en el que ella se encuentra se aumenta. Al ser secuestrada, ella se pregunta a si misma si su amado está involucrado en el complot siniestro.

Si te encantan las novelas de misterio y suspenso de John Grisham, Kristi Belcamino y Bev Pettersen, también te encantará la serie de misterio de Nikki García de la autora Kathryn Lane Terrazas, quien fue galardonada con el prestigioso premio Silver Falchion para novelas de misterio y suspenso.

Despertando en Medellín llevará al lector en un viaje internacional de suspenso donde la traición pactada entre bastidores y el laberinto de engaños lo mantendrán intrigado hasta el final. Danger In The Coyote Zone by Kathryn Lane

A Nikki Garcia Mystery.

Nikki Garcia, a former fraud auditor turned international private investigator, travels to Mexico—a country where private investigators are outlawed—to find a missing child.

The parents are embroiled in a nasty custody battle, with each parent accusing the other of the girl's disappearance. It's an easy child-snatching case—right?

That's what Nikki thinks until an irreverent, marihuana-smoking homeless woman provides an eye-witness account of the girl's kidnapping. Following the witness's account, Nikki goes undercover and infiltrates a ring of dangerous human traffickers. In the midst of despair and treachery, can she find a glimmer of hope?

When the mother receives a ransom request, Nikki is already undercover with the diabolical human traffickers and her boss assumes she was purposely misled and sets out on a rescue mission.

Nikki's fiancé, fearing the forces of evil will prevail, starts his own high stakes search to rescue the love of his life. In this gripping, twist-packed journey, will he locate her before it's too late?

And what about the missing child? Who is going to save her?

If you love women sleuths, crime fiction, and the mystery and suspense novels of John Grisham, Kristi Belcamino, and Isabella Maldonado, you will also love Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series.

Reader Views says: "The action is so fast-paced readers never has a chance to catch their breath until the very end. Nikki is engaging and realistic, and I loved following right alongside her throughout the action. With bad people working on several sides, it is hard to figure out how this story is going to end until the actual end. Clues are given, but the plot keeps twisting and turning so readers will have to wait until the last chapter to know for sure who the bad guy is."

Review: Nikki Garcia is an unlikely Sam Spade: a former international auditor who turns private investigator and lands an assignment in Mexico to find a missing ten-year-old child, Bibi Lombardi. Bibi's estranged parents are fighting over her custody and one of them could even be responsible for her disappearance. It's an easy child snatching case - right? Nikki pursues a trail of dangerous criminals through designated UNESCO locations, archaeological sites, picturesque colonial towns, and barren deserts. But when Sofía, Bibi's mother, receives a ransom request, Nikki is already undercover with a gang of "Coyotes." Nikki's boss and fellow private eye is certain someone purposely provided misleading information on the abduction to prevent Nikki from recovering the child. Or is the kidnapper headed north to the U.S. border, where Bibi's fate could be much worse than her current situation?

Award winning author Kathryn Lane spent some time with The Big Thrill discussing her latest novel, COYOTE ZONE: Danger in the Coyote Zone is the thrilling new installment in the Nikki Garcia series by Kathryn Lane. Once again, Lane takes her readers to exotic locales with glutinous helpings of adventure and intrigue. The heroine, Nikki Garcia, is drawn back into threatening circumstances when her client's daughter is kidnapped by a human trafficker and sends our heroine into undercover work that threatens her life and those of the young victims she needs to rescue.

Robert Selby, screenplay writer, book reviewer, and volunteer at the Killer Nashville International Mystery Writers' Conference

Coyote Zone is a dynamic thriller. The action is so fast-paced the reader never has a chance to catch their breath until the very end! Nikki is engaging and realistic. All the characters are well developed. Readers will have no problems hating the characters meant to be hated, particularly with the hefty subject matter Lane tackles.

With bad people working on several sides, it is hard to figure out how this story is going to end until the actual end. Clues are given, but the plot keeps twisting and turning so the reader will have to wait until the last chapter to know for sure who the bad guy is. "Coyote Zone" by Kathryn Lane is highly recommended reading for fans of the genre. Paige Lovitt, Reader Views

Not only is this a page-turning thriller with twist after heart-wrenching twist, but it brings awareness to the very real issue of human trafficking. Lane's research is apparent and the reader feels a strong sense of place. Sharon Marchisello, author of *Going Home* and *Secrets of the Galapagos*

Kathryn Lane's riveting *Danger in the Coyote Zone* keeps the reader spellbound as Nikki Garcia enters the shadowy world of human trafficking and races against time, corrupt officials, and ruthless criminals. You cannot put this book down. Hipolito Acosta, a highly decorated US Immigration and Naturalization Service Officer (retired) and author of *The Shadow Catcher*, *The Hunt for Maan Singh*, and *Deep in the Shadows*

What Amazon readers are saying about the Nikki Garcia Mysteries:

Revenge In Barcelona by Kathryn Lane

A Nikki Garcia Mystery.

Nikki Garcia, a private investigator, escapes to Spain with Eduardo, her fiancé, after a death threat on her last assignment. She puts the past behind her and turns the trip to Barcelona into her destination wedding.

A week later, Nikki and the love of her life find themselves caught up in a terrorist attack at one of the city's major tourist attractions. As events unravel, Nikki discovers she is being stalked. Worse yet, she may have been the target of the deadly bombing.

The newlyweds must navigate behind Spain's legal and law enforcement systems to uncover the sinister person threatening Nikki.

Weaving their way through Barcelona to get facts, Nikki and Eduardo further endanger their lives upon discovering a series of suspects, from flamenco dancers to foreign nationals. Will they be able to locate the would-be assassin and outsmart him before it's too late?

If you love women sleuths and the mystery and suspense novels of John Grisham, Kristi Belcamino, and Isabella Maldonado, you will also love Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series.

The novel is deftly plotted and masterfully written. — Christian Sia, Readers' Favorite

Review by Michelle Jacobs, US Review: What begins as a romantic getaway to Barcelona for Nikki Garcia and her fiancé soon turns into a fight for her life with her enemies closing in fast to settle past scores. Nikki is no stranger to threats on her life and to using her wits to confront danger, so she is well-matched against the terrorists in this high-octane thriller. With international sites and multicultural flair, readers will be transported into a world of beauty and intrigue. From Morocco to the intimate corners of Barcelona, the suspense builds as Nikki closes in on villains and assassins devoted to their sinister mission. Deftly plotted with close calls, near escapes, and murderous plans, this ride never lets up from beginning to satisfying end.

Revenge in Barcelona by Kathryn Lane is a spellbinding novel that will entice fans of thrillers and sleuth stories. Kathryn Lane begins the story in the midst of action, with the protagonist arriving at her destination. It is not long before disaster strikes and Nikki begins to sense that her life is in danger. The premise is strong and it becomes even stronger because of the background of the protagonist — a former international fraud auditor. It is hard to determine who is after her, knowing that her work often places her in the position to make many enemies. Revenge in Barcelona is quickly paced and the plot points are very strong. I enjoyed the fact that the key characters easily find themselves in dangerous situations. There is a lot of suspense as Nikki works hard to find out who is targeting her and why. The novel is deftly plotted and masterfully written. Readers Favorite

I highly recommend Revenge in Barcelona. A thrilling story with a well-researched plot - it's easily 5 Big Stars. Reader Views

From The Back Cover: Back Cover: Praise for Revenge in Barcelona Revenge in Barcelona by Kathryn Lane is a spellbinding novel that will entice fans of thrillers and sleuth stories. Protagonist Nikki Garcia, a private investigator, is running for her life after a death threat while on assignment in Mexico. When she arrives in Barcelona with her fiancé, Eduardo Duarte, she is confident danger has been left behind.

Soon, Nikki begins to sense that her life is in danger from a new angle. The premise is strong and becomes even stronger because of the protagonist's background--a former international fraud auditor. It is hard to determine who is after her, knowing that her work often places her in the position to make many enemies. Revenge in Barcelona is quickly paced and the plot points are very strong. Suspense mounts as Nikki works hard to find out who is targeting her and why.

The novel is deftly plotted and masterfully written. Reviewed By Christian Sia for Readers' Favorite

5 Stars: Exciting Mystery Crime Thriller!

I am positive that Author Kathryn Lane's career as an International Finance Executive and her extensive knowledge with Latin American culture, brought Nikki Garcia (main character) to life in this exciting mystery crime thriller.

Kathryn educates her readers in the regular and famous places in Barcelona, Arabic words and phrases, Romani words, and Spanish/Catalan words and phrases. Her extensive list of characters (in the beginning of the novel) will help you relate early as the story unfolds.

Once you begin, you will not put this well written, fast paced mystery down. Chapter one begins at the airport baggage claim in Barcelona Spain. From the start, Nikki Garcia draws you into her situation and her romantic relationship with her fiancé, Eduardo Duarte, who is a Colombian citizen and medical doctor.

Let me bring you into Nikki's secret investigation in Chapter 30. Nikki is at the Barcelona Majestic Hotel.

... "Attired in a housekeeper's uniform and long black wig, Nikki looked in the mirror to make certain she had not left telltale streaks in the makeup that darkened her face and arms. Slipping on a set of glasses with heavy dark frames and lightly shaded lenses Floyd had provided as part of her disguise, she found they sat heavy on the bridge of her nose. Yet they further transformed her appearance, so she kept them on. Her last step included tucking the special mobile phone Floyd had provided into her apron pocket.

...Eduardo, in his maintenance coverall, had been watching Nikki. He called Floyd. "We're ready."

... "All clear." Nikki could just make out Floyd's voice over the phone. "I'll meet you at the service elevator."

... "Roger, roger," Eduardo responded.

... "Roger?" Nikki repeated, chuckling as they walked toward the service elevator in the hallway where the emergency stairwell was also located.

... “Where did you learn that?”

... “Floyd. He said pilots and short-wave radio operators use it.”

... “Your accent makes it sound sexy,” Nikki said.

...They stepped out of the elevator into the plain service hallway, Nikki pushing the housekeeping cart. Floyd opened the door to the richly carpeted hall that guests used and checked for people. When he saw no one, he motioned them through. He would serve as lookout in the hallway near the door to the emergency stairs.

...Nikki used the passkey to open the door. With trepidation, she stepped into a dim foyer and pulled the cart in behind her. Without turning a light on, she continued into a living room. She stopped cold when she heard shrieking.

...An angry cat?”

...It is at this point that I will let you discover for yourself, what is making that awful sound and how much danger they might be in?

Author Kathryn Lane has also written ‘Waking Up in Medellin’ (Book One In The Nikki Garcia Thriller Series), ‘Coyote Zone’ (Book Two In The Nikki Garcia Thriller Series), ‘Revenge In Barcelona’ (Book Three In The Nikki Garcia Thriller Series) and a short story collection titled ‘Backyard Volcano: And Other Mysteries Of The Heart’.

The Nikki Garcia Mystery (Crime Thriller Series) Box Set by Kathryn Lane

Accompany protagonist Nikki Garcia to exotic international locations to solve mystery and crime in this thrilling trio of full-length, award-winning novels by Kathryn Lane. Each novel also has a touch of romance.

Book 1-Waking Up in Medellin: Nikki Garcia, a sexy international auditor, is sent to Medellin on assignment where she grapples with high level, mega-money corruption and her own ghosts. Then she's kidnapped and will have one shot at surviving.

Book 2-Danger in the Coyote Zone: Fraud auditor turned private investigator, Nikki Garcia, goes undercover to find a missing child in Mexico, a country where private investigators are outlawed.

When Nikki goes undercover, she places her own life – and the lives of others she cares deeply about – in danger.

Book 3-Revenge in Barcelona: After witnessing a terrorist incident at a major tourist attraction in Barcelona, she discovers she may have been the intended target of the attack. She must act quickly to uncover her assailant before it's too late.

If you like mystery and suspense novels, like those of John Grisham, Kristi Belcamino, and Isabella Maldonado, you will love Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series.

Kathryn's novels take you to exotic international locations. Click the BUY NOW button at the top and enter Nikki Garcia's world of mystery.

What Amazon readers are saying about the Nikki Garcia Mysteries:

"What a story! Best book I have read in a very long time."

"Mystery, love, healing – all taking place in a foreign location."

"From beginning to end keeps you on the edge-of-your-seat."

"Loved the intricately woven plot and layers of subplots."

"I read this book twice. The first time I couldn't put it down. The second time I was transformed to the sights of a real place and its history."

"This is a page-turning thriller with twist after heart-wrenching twist."

"We are entertained while we visit new and exotic places."

If you love mystery and suspense novels, like those of Louise Penny and Harlan Coben, you will also like Silver Falchion Award-Winning Author Kathryn Lane's Nikki Garcia Mystery Series. Kathryn's novels take you on action-adventure in exotic foreign countries. A former international finance executive, Kathryn and her husband split their time between Houston, Texas, and the mountains of northern New Mexico.

Backyard Volcano And Other Mysteries Of The Heart by Kathryn Lane

Short Story Collection.

These stories help define the world of the Texas-Mexico Frontier—an explosive world where lives break, loves shatter, and healing happens.

Kathryn Lane, a native of Mexico, explores this world, leading readers on a journey through time and geography with the promise of magic and transformation.

Review: Like an ancient volcano slowly belching up its past sins, this book takes you on a journey from the mountains of Mexico to the frontera of South Texas, each eruption a story leaving you scarred from past violence's bleeding onto the current page. Pick up Kathryn Lane's book--it will fill you with heartache and

sadness but also with a sense of the realities of living border lives like volcanos in the backyard.... Review by Christopher Carmona, author of *The Road to Llorna Park* and *I Have Always Been Here*. This text refers to the paperback edition.

About The Author: Kathryn Lane, award-winning author of the Nikki Garcia Mystery Series, sets her novels and short stories in foreign countries and exotic places.

Kathryn credits her imagination to growing up in Mexico, a country which was rich in storytelling and steeped in cultural traditions. Her creativity was first expressed by painting in oils and when reality of earning a living set in, she studied accounting and finance, and joined a multinational corporation where she attained her dream job of traveling abroad.

After two decades in the corporate world and having visited over 90 countries, Kathryn left to fulfill a second dream – writing mystery and suspense novels.

Fans of strong female protagonists and suspenseful stories are likely to enjoy Kathryn's work. The Nikki Garcia thrillers include:

Waking Up in Medellin – named Best Fiction Book of the Year 2017 by Killer Nashville. Also available in Spanish edition “Despertando en Medellin”. Recently announced as a finalist in the Latino Books into Movies Latino Themed TV Series 2021. Also available in Audio.
