Colorado Amazon Bestselling Author Iona Morrison!

A Blue Cove Mystery Series (12 Books) by Iona Morrison!

The Harvest Club by Iona Morrison

Book 1 of 11: A Blue Cove Mystery.

Jessie Reynolds has no idea when she moves to Blue Cove, that she will be sharing her life with a ghost. A young pastor has been murdered, and Jessie finds herself following the trail of that death into the dark and deadly world of organ trafficking.

Jessie is soon introduced to the detective in charge of the case. Matt Parker is a tall, scruffy, ruggedly handsome man who takes an instant dislike to her and the feeling is mutual. He wants her out of his case and she finds herself entangled in it. The tension between them mounts and so does the attraction.

Review by ReNae Bowman: 5.0 out of 5 Stars. Must read!!! You won't be disappointed!!!! Reviewed in the United States on September 19, 2014. Verified Purchase. I just finished a new (and first) novel written by Iona Morrison; title "The Harvest Club". Wow, what a great read!! I enjoyed every page of this mystery. My criteria for a good read are style, character, and plot development. Ms. Morrison's clean, crisp writing style kept me turning pages and I was intrigued by the characters from the start. Plot development is tight and keeps you guessing all the way to the end.

The main character Jessie is a delight. It is great to see a strong woman character not painted as isolated and needy due to her strength. Always disappointing are the seemingly strong women characters that fall apart and in the end some guy comes in to rescue them. Wonderful to read a book where the female character is genuinely strong, and the world doesn't melt backwards into the 50's!!

Throughout the book Jessie's character never wavers, she is self-confident because of her personal convictions and ethics. Her curiosity and internal intelligence serve her well and guide her to the truth.

The setting, the plot and all the other characters are there for the reader to discover. Through her writing skill, Ms. Morrison transports you to Blue Cove and tells a story that will linger in your mind for a long time. I say Iona Morrison nailed it!!! I cannot wait until her next book.

Review by Judith Sterling: 5.0 out of 5 Stars. A fun read! Reviewed in the United States on July 9, 2021. Verified Purchase. The Harvest Club is the first of the Blue Cove mysteries, and I loved it. I enjoyed following Jessie Reynolds in her search for a new life...and her search for answers in a sinister murder case that kept me guessing. There's a lot of chemistry between her and Detective Matt Parker, and as the danger escalated, I was genuinely worried for them. Can't wait to read the next book in the series!

Review by Gutie G: 5.0 out of 5 Stars. A real page turner. Fantastic first effort. Can't wait for the next. Reviewed in the United States on September 11, 2014. Verified Purchase. The Harvest Club is a new novel from freshman author Iona Morrison. The story takes the heroine from the city to a sleepy little New England town for a well-needed change of pace. What she gets instead is involvement in intrigue, murder, international organ trafficking, romance, and visits by the local ghost. This narrative provides the thrills and plot lines that Americans have come to expect of a major motion picture. Morrison may be a humble secretary and pastor's wife just beginning her career in literature, but she writes like a seasoned pro. Morrison weaves a suspenseful tale while investing the reader in the lives of the characters as skillfully as Patterson or Baldacci. Her second novel is due out next year. If it is anything like The Harvest Club, I can't wait to devour it.

Review by Steven J Wunch: 5.0 out of 5 Stars. Grabbed Me From The Get-Go! Reviewed in the United States on August 26, 2015. Verified Purchase. I'm not much of a reader, and a book really has to grab my attention early and keep it. This book did just that. Iona Morrison's got a real way with telling the story of Jessie that makes you connect with her character from the get-go. The relationship between Jessie and Matt is so well represented, I can't wait to see what happens next. One specific thing I enjoyed is that Iona is able to marry a wholesome, Christian-like content with some paranormal activity - which for this reader was a big hit! I'm already half-way through her second novel "Not for Sale" and have to tell you - it's better than Harvest Club. KUDOS to Iona Morrison, and here's to the next several novels in her series!

Review by Margaret White: 5.0 out of 5 Stars. I really liked this book. Reviewed in the United States on July 12, 2018. Verified Purchase. I really liked this book, so much so I was sorry it ended. The characters

are well written. And the plot had a lot of twists and turns. The ending was good too. I am not the best reviewer since I am not a great writer - maybe that's why I like to read so much. I do have to say this book will not disappoint you and I have already purchased other books from this author that I can't wait to begin.

Not For Sale by Iona Morrison

Book 2 of 11: A Blue Cove Mystery.

A desperate young girl cries out for help as she hides in terror, hoping against hope that someone might hear her. Jessie Reynolds does and finds herself caught up in an equally desperate search for Abigail. She has escaped human traffickers, but has no idea where she is, and Jessie must find her in time. She joins forces with Matt, the chief of police, and they discover that Abigail is only one of several kidnapped children.

Faced by a cold trail, they must rely on Jessie's ability to hear Abigail's thoughts, backed up by a tracking bloodhound. But the children mean big money and that brings murder and a hit man to Blue Cove to clean up the mess. Matt and Jessie grow closer as they are forced to work side by side, but will they find Abigail in time? And will they, themselves, survive?

Review by Jo: 5.0 out of 5 Stars. I cannot put these books down!!! Reviewed in the United States on July 30, 2016. Verified Purchase. This of course was an excellent book. I am now getting ready to start the 3rd book The Game Changer. I read the first two books quickly, because I could not put them down. I almost don't want to start book 3, because book 4 is not for sale yet. I really hope this series continues on for a very long time. It has absolutely everything that interests me. It has a great Hero, a wonderful Heroine, and exceptional cast of supporting characters. Not too many to confuse the reader, just the right amount. This book is full of suspense and has the little edge of supernatural that I look for when selecting a series to read. Nothing is overdone to the point you feel it is ridiculous. The stories are extremely well balanced, interesting and they really capture me. I feel like I am right there experiencing this in person. What an excellent writer Iona Morrison is. I am so glad that I found this series. Thank you, Amazon, for understanding the types of books I like, and making this book a recommendation for me to read.

Review by Judith Sterling: 5.0 out of 5 Stars. Suspense and romance in Blue Cove! Reviewed in the United States on October 16, 2021. Verified Purchase. This second book in the Blue Cove Mystery series is a suspenseful story which involves human trafficking, a scary subject to be sure! I was so nervous for the kidnapped children and anxious for the hero, heroine, and the heroic tracking bloodhound to find the kids and nail the perpetrators. A solid addition to the series!

Review by Diane: 5.0 out of 5 Stars. Another winner. Reviewed in the United States on October 23, 2015. Verified Purchase. A book I couldn't put down, just like the first with these characters. And another social justice issue at the core of the story line. We've heard more and more about human trafficking, but usually about girls brought from third-world countries. This book addresses the market for American children, and that is way too close to home. It's a reality people should be alert to. It's sickens the spirit to think that fellow citizens can be sucked in to such evil. As far as Jessie and Matt are concerned, it's a developing relationship based on character and chemistry, a refreshing and fun thing to watch and anticipate. Hoping for another Blue Cove mystery.

Review by Angel: 5.0 out of 5 Stars. An enjoyable book. Reviewed in the United States on December 25, 2016. Verified Purchase. I enjoyed the story. It has suspense, romance and even some paranormal activities going on within. What it doesn't have is a lot of blood, sex and bad language which is a total turn off for me. It keeps you in suspense trying to find all the kidnapped children. I especially liked the bloodhound tracker. This book is sort of a continuation of the book " The Harvest Club" which I also enjoyed. It's a new story in a series.... same people, same town. I would suggest reading them in the order they were written.

Review by Cheryl: 5.0 out of 5 Stars. Another great read in the Blue Cove series! Reviewed in the United States on July 17, 2015. Verified Purchase. Iona once again sets a heart-rending mystery in the quaint town of Blue Cove, as Jesse and Matt work together to put an end to an evil group of so-called businessmen. There is a real sense of desperation as they attempt to locate the pitiful victims in time to save their lives. Not only are her human characters charming and likeable, but the introduction of a

loveable search and rescue dog is fun and informative. Iona calls our attention to serious ills of society in her books, and she gives us food for thought as well as entertaining. This is a definite must read!

Review by Steven J Wunch: 5.0 out of 5 Stars. I'm a HUGE FAN! Reviewed in the United States on August 26, 2015. Verified Purchase. After reading Iona Morrison's first book, The Harvest Club, I couldn't wait to get into Not For Sale. I'm half-way through it and am totally in love with the writing style, characters, situations, etc. Iona has a way of combining the paranormal with every day, wholesome characters and situations that has completely made me a HUGE fan. I'd recommend this book to anyone who has a penchant for the paranormal and loves a good mystery thriller! I even took it with me to Paris and had a read in the Luxembourg Garden during my July 2015 vacation!!

Jessie is busy getting her new bookstore ready for its grand opening when deliveryman Evan Foster arrives with an order of books. To her shock, the suddenly distraught Evan tells her that he has seen her in a dream. She is the only person who can help him find his missing wife.

Jessie calls her boyfriend Matt, the chief of police, and almost immediately, a picture of the abduction forms in her mind. Jessie is once more involved in a case. Missing files, strange fetishes, and general chaos worry Matt, but when a note shows up in Jessie's mail, they are off and running following the new clues.

Three separate cases merge into one, which takes them from Blue Cove to Palm Springs. A kidnapping, a stalker, and illegal weapons converge with the dark arts of voodoo, pushing Matt and Jessie to their limits. They are running out of time as the dark perpetrator stalks Jessie.

Review by ReNae Bowman: 5.0 out of 5 Stars. Great reading entertainment. Reviewed in the United States on August 29, 2016. Verified Purchase. I love the Blue Cove series. The books are difficult to put down because they are suspenseful, and they move at a great pace. These are a fun, recreational reads that gives me the reader the opportunity to escape. I read the first two and loved them and love this one even more. From a crime perspective I love that Jessie is respected by the police and sheriff's department although that is not her profession.

I love how Ms. Morrison provide us with background behind the crime fighting. I don't know if it is true or not, but after reading this book, I taped over the camera on my home laptop. I am not the paranoid type, but the reason given in the book made sense to me. The characters are developed yet are still being revealed with each book. Jessie was ever more confident and mature as evidenced by the fact she only giggled once in this book.

Review by Linda H.: 5.0 out of 5 Stars. Another exciting Blue Cove book from Iona Morrison. Reviewed in the United States on October 3, 2016. Verified Purchase. Loved this third book of the series. Interesting take on the evil that can have a lot of power over people. The spying part scares me and they just did a story on the news about taping over the camera on your computer and how easy it is to hack in to spy on people. Love the development of the story between Jessie and Matt. Can't wait for the next book! These are fast, exciting reads.

Review by Ann: 5.0 out of 5 Stars. Great series. Reviewed in the United States on July 1, 2016. Verified Purchase. This is the third book in the series, and I liked it as much as the other two. I know there are at least two more coming and I will anxiously await their arrival.

Review by rfred: 5.0 out of 5 Stars. Great story. Reviewed in the United States on September 29, 2016. Verified Purchase. Very suspenseful. Good character development. A good book for anyone who enjoys a good mystery, as were the previous two. Can't wait for the next one!

Dance with a Devil by Iona Morrison

Book 4 of 11: A Blue Cove Mystery.

Jessie is enjoying an evening run; grateful her life is finally back to normal. Starting the incline toward home, a sudden terror grips her. Someone is watching her. She picks up her pace, but he's hot on her heels—and he means to kill her. She narrowly manages to elude her pursuer and reach the safety of her house.

The first one she calls for help is the man she has grown to love, Matt Parker. Matt already has his hands full dealing with a notorious hitman who's in the area and a thug who followed a visitor to Blue Cove. Now Jessie is in danger, and Matt will do anything to keep her safe. He can't lose her now. When Matt becomes the target, it's Jessie's turn to help. She has a few surprises in store as a few ghostly friends come to her aid.

Review by Cheryl: 5.0 out of 5 Stars. Another Blue Cove gripping mystery. Reviewed in the United States on September 14, 2017. Verified Purchase. Ms. Morrison continues with her Blue Cove Mystery series with a suspenseful, spooky story that keeps you on the edge of your seat! Jessie continues to develop as an entertaining character with depth and a feeling of reality - I just want to get a cup of coffee next door and peruse the bookshop and discuss the new bestsellers with her! New characters, and Jessie's developing abilities keep the story interesting - start at the beginning of the series to follow the development of the characters and relationships but give this one a chance - Blue Cove is a good place to spend some time!

Review by Mary Nash: 5.0 out of 5 Stars. Great romantic mystery. Reviewed in the United States on December 15, 2017. Verified Purchase. Romantic mystery with an excellent story line. Each one of the Blue Cove mysteries has a under lying story line that needs to be told and Iona tells them with plots that make you sit up and take notice.

Review by Peaches: 5.0 out of 5 Stars. Action packed series. Reviewed in the United States on February 24, 2019. Verified Purchase. I have loved this series. The twists, turns and dips. I like that there was action, and romance. I like that the romance was slow and sweet not in your face sex.

Review by Tammy W.: 5.0 out of 5 Stars. Loved it! Reviewed in the United States on May 9, 2017. Verified Purchase. Iona did it again with this fast-paced plot with surprises and complexities. You never know quite what is coming next and how all the pieces are going to fall together. Beautifully written. Can't wait till book #5!

Review by Sheila Hemingway: 5.0 out of 5 Stars. Iona did it again, Blue Cove will never be the same again! Reviewed in the United States on February 9, 2017. Verified Purchase. All through this book I kept rooting for Jessie and Matt to catch the murderers. This was a riveting read and I had a hard time putting it down!

Review by Ann: 5.0 out of 5 Stars. Another wonderful story. Reviewed in the United States on January 28, 2017. Verified Purchase. Each book gets better and better. Can't wait for the next one. Iona, keep writing. We are all reading your books.

Only A Shadow by Iona Morrison

Book 5 of 11: A Blue Cove Mystery.

Trouble rears its head once again in Blue Cove and dashes straight into Jessie's store in the person of a battered young woman fleeing her abusive spouse. Jessie finds herself pulled into another case as a body is discovered in the church dumpster, and the dead woman's ghost takes up a vigil in Jessie's place of business. Is the dead woman connected to the frightened and battered girl who took refuge in the store?

Matt and Jessie's search for the killer leads them to their victim's family, members of a strange religious group that lives off the grid outside of town. Add to the mix a crypt in the woods on a foggy night, Jessie's abduction, a couple of angry and abusive husbands, and the resident ghost, and they will have their hands full solving this crime. Will Matt and Jessie's love for each other keep them grounded until justice can be served?

Review by Peaches: 5.0 out of 5 Stars. Is this the end. Reviewed in the United States on February 27, 2019. Verified Purchase. Jess the smart journalist takes on all kind of social issues from organ harvesting human trafficking. And child and spousal abuse. I definitely want more.

Review by Tammy W.: 5.0 out of 5 Stars. Another great read! Reviewed in the United States on December 25, 2017. Verified Purchase. Iona did it again! This is another fun, fast moving, entertaining mystery. I love the character development and the twists and surprises in the plot. I can't wait until the next one!

Reviews by Sheila Hemingway: 5.0 out of 5 Stars. Another amazing story in Blue Cove. Reviewed in the United States on December 15, 2017. Verified Purchase. This is a romantic mystery! The character development makes you feel the characters are your friends. Jess is such a sweet girl and I can't wait for Matt to pop the question.

Review by Mary Nash: 5.0 out of 5 Stars. Fantastic series. Reviewed in the United States on December 21, 2017. Verified Purchase. Absolutely love this series. I hope that the next one comes soon. Love and the paranormal at its best and I am already going through withdrawal.

Review by Ann: 5.0 out of 5 Stars. They keep getting better. Reviewed in the United States on October 28, 2017. Verified Purchase. I love these books. Sheets have to have the new one right when it comes out. I was not disappointed. Best one yet. Keep them coming!

Review by Linda H.: 5.0 out of 5 Stars. Timely subject Reviewed in the United States on November 23, 2017. Verified Purchase. These books keep getting better and better! Loved it! This is a very important topic handled in an entertaining and inciteful manner.

Review by Mary H. Rosenblum: 5.0 out of 5 Stars. Romantic Suspense at Its Best. Reviewed in the United States on November 16, 2017. Verified Purchase. Ghosts and strange powers...and a nice strong romance. What's not to like?

Review by MaryLou Hoffman (VINE VOICE): 5.0 out of 5 Stars. I LOVE BLUE COVE. Reviewed in the United States on March 31, 2019. ONLY A SHADOW is the fifth book in the Blue Cove Mystery series. Though each will stand on its own, I support reading them all and in the order of release. For myself, this is the first book that I have read from Iona Morrison, and I truly do wish I had the rest of the Blue Cove Mystery series. I love Jessie! I love Matt! I only wish the narrator were someone other than Nicole Blessing (aka the cure for insomnia).

What a fantastic story! It had suspense, action, ghosts, sweet babies, sweet romance, and fighting back against domestic abuse! Because some of the subject matter would be traumatic for younger children, I would hesitate to let the smaller ears listen in, but otherwise it is safe for the family.

As I said, this is the first book I have read, though it is the fifth in the series, but it is obvious that Matt and Jessie's relationship has been slowly growing through these five books. I've joined at the right time! Sigh!! I love that he believes in her, even if he can't see her ghosts. Their sparks are evident in every interaction and conversation. They also have a wonderful group of friends who add a tremendous layer of depth to the story and their lives.

Narration – 2 crowns: Narration is done by Nicole Blessing, and I have only one more read by her in my library. I have made a concerted effort to clear these books from my files and I'm nearly there. Note: While I received this book as a gifted audiobook copy via getfreeaudiobooks.com, my opinions are my own and are given freely. Category /Genre: Paranormal Cozy Mystery. Recommended for: 14+ due to adult concepts and violence. Listenability: OK. Received from: The Wild Rose Press (as an Audible gifted copy).

The Final Flashpoint by Iona Morrison

Book 6 of 11: A Blue Cove Mystery.

Ghosts of the dead swirl around Jessie Reynolds seeking her help. Two bodies have washed ashore in Blue Cove. When a third body is discovered, evidence links the victims to a group of missing college students. A fourth student is still missing, and the spirits will not rest until he is found. Police Chief Matt Parker, the love of Jessie's life, will have to handle this case alone.

Further investigation shows the murders are more than local hate crimes. Matt finds himself targeted by the same suspects as the victims and must rely on experience and training to survive. It will take more than his skills to bring the criminals to justice and survive what they have planned for him. He will need Jessie and the spirits' otherworldly help to make it back alive. Will love triumph over evil and give Jessie and Matt a chance at love?

Review by Sheila Hemingway: 5.0 out of 5 Stars. Wow. Reviewed in the United States on May 17, 2023. Verified Purchase. Another amazing story about Jesse and Matt. You would think that Iona would have come to the end of the good versus evil, but she hasn't. Great read!

Review by Ann: 5.0 out of 5 Stars. Better and better. Reviewed in the United States on January 8, 2019. Verified Purchase. I have written before that Iona's writing gets better and better. This book proves my point. It is the best one yet. I'm already anxiously waiting for the next book. I love how these characters have matured from book to book. I never want to see it end. Keep writing!

Review by Tammy W.: 5.0 out of 5 Stars. Loved it! Reviewed in the United States on January 12, 2019. Verified Purchase. I like all the rest of Iona Morrison's books, there are several twists and turns to the plot that draw you into the story and keeps you hanging and guessing "who done it."

Review by Kindle Customer: 5.0 out of 5 Stars. Great series. Reviewed in the United States on December 24, 2018. Verified Purchase. This entire series is great. I always look forward to the next installment.

Review by ljeff205: 5.0 out of 5 Stars. Great easy read. Reviewed in the United States on December 20, 2018. Verified Purchase. Great easy read.

Finding A Way Forward by Iona Morrison

Book 7 of 11: A Blue Cove Mystery.

When a ghost decides it's high time for her murder to be solved, she chooses Jessie Reynolds to solve the cold case. Armed with only the girl's name, Jessie goes in search of information and is stunned to find a link connecting the dead girl to Matt Parker. Is it possible the man Jessie cares about had something to do with the crime?

As the case unfolds, Matt and Jessie have all they can handle dealing with two possibly connected murders, a menacing man from Jessie's past, and the knowledge of a porn ring at the local high school

that could take down several prominent citizens of Blue Cove. Racked with questions and doubts about their relationship, Jessie will have to work with Matt to find a way to bury the past and build a bridge to the future.

Review by Linda H.: 5.0 out of 5 Stars. The Blue Cove Series gets better and better! Reviewed in the United States on July 30, 2019. Verified Purchase. I loved this book! Morrison writes these books about relevant current topics in a sensitive way. The addition of the angels visible to Jessie gave hints of the spiritual warfare going on in our world. I love the interaction between Jessie and Matt.

Review by Mary Nash: 5.0 out of 5 Stars. Suspenseful and romantic. Reviewed in the United States on May 7, 2019. Verified Purchase. I really enjoy the mystery that entangle Matt and Jessie. This book is for people who love a romantic suspense story. I hope there are more books to come so I can keep up with Matt and Jessies story.

Review by Tammy W.: 5.0 out of 5 Stars. Fun to read! Reviewed in the United States on May 23, 2019. Verified Purchase. This is Iona Morrison's best book yet! I loved the lighthearted humor throughout the book while Iona retained the suspense, twists, and turns of the plot, with surprises at the end. I can't wait for the next one!

Review by Ann: 5.0 out of 5 Stars. Another excellent book. Reviewed in the United States on May 30, 2019. Verified Purchase. Love this series. So happy we finally have a proposal. Can't wait for the wedding. Please keep writing. The stories keep getting better.

Review by Abe Atencio: 5.0 out of 5 Stars. Book 7, Another Blue Cove Mystery. Reviewed in the United States on July 13, 2019. Just finished reading Book 7 in the Blue Cove Mystery series, FINDING A WAY FORWARD. Iona Morrison has done it again! She weaves a compelling story of child pornography, murder, and ghosts who cry out for justice, leading Jessie to find it for them. Top that off with Jessie's vision of a celestial battle of angels against a fire breathing dragon, as well as a marriage proposal we've all been waiting for, and you have another book you will not be able to put down! Looking forward to many more adventures with Jessie, Matt, and the residents of Blue Cove.

Key To The Past by Iona Morrison

Book 8 of 11: A Blue Cove Mystery.

Plans for a romantic weekend celebrating their recent engagement at a charming inn go awry when Detective Matt Parker and bookstore owner Jessie Reynolds are suddenly pulled into another case.

A missing girl's ghost, an antique key, and an improbable journey take Jessie into another dimension to solve the murder, leaving Matt behind to wonder if he will ever see her again.

Bullets fly and sparks ignite—as the past and the present collide, in their most unusual case to date.

Review by Mark Scott Piper: 5.0 out of 5 Stars. Equal Doses of Mystery and the Paranormal, plus a Dash of Thriller and a Touch of Romance. Reviewed in the United States on November 27, 2020. Verified Purchase. Key to the Past is the eighth book in Iona Morrison's Blue Cove Mystery series. I haven't read the others yet, and that means there are probably references here that I didn't quite get because of it. That doesn't mean I couldn't enjoy Key to the Past as a stand-alone read.

It's a page-turner in the truest sense of the word. The mystery is complex, the time travel elements are compelling, and the romance between the two main characters, Jessie Reynolds, and Matt Parker, feels real and deep. Many of the paranormal elements defy explanation, but in Morrison's capable hands they are perfectly believable—or at least perfectly acceptable. The murder mystery itself is fraught with twists and turns as the details slowly unfold, and there are a few loose ends that never get tied up, but the narrative is still edge-of-the-seat stuff up to the revelations at the end. I don't generally read a lot of romances or paranormal tales. I may have to change my ways. I unabashedly recommend this book.

Review by Mary Nash: 5.0 out of 5 Stars. Paranormal mystery and romance at its best. Reviewed in the United States on January 30, 2020. Verified Purchase. I love the supernatural twists and turns this series has. Jessie and Matt have a strong relationship, but this latest case really puts their love to a test. Jessie disappears into another dimension to solve murder from many years ago. Matt is left to work it from this dimension while trying to keep hope alive that Jessie will be able to come back to him. Very intense storyline that is hard to put down.

Review by Sheila Hemingway: 5.0 out of 5 Stars. A real page turner. Reviewed in the United States on February 8, 2020. Verified Purchase. This is an easy read. Very exciting, the part where Jesse goes into the 60's was very imaginative. Made me want to read more to make sure she got back with her handsome Chief of Police. Then when Matt didn't call her...

Review by Tammy W.: 5.0 out of 5 Stars. Best one yet! Reviewed in the United States on February 8, 2020. Verified Purchase. Pure entertainment! Filled with action, humor, and one twist after another, Key to the Past will keep you on the edge of your seat, wondering what is lurking just around the next corner!

Review by Ann: 5.0 out of 5 Stars. Better and better. Reviewed in the United States on February 13, 2020. Verified Purchase. I think your stories get better with each book. It always amazes me how you think of these stories. The time travel was fascinating. I'm already anxious for the next book!

Review by Abe Atencio: 5.0 out of 5 Stars. Jessie travels to another dimension to help solve a Cold Case murder. Reviewed in the United States on May 24, 2020. What a wild ride Iona Morrison takes us on in Book 8 of the Blue Cove Mysteries series! I so enjoy the development of Jesse and Matt's relationship. I was fascinated by the idea of traveling to another dimension and found on Google it's an actual theory! The fact that Jesse was in one dimension while Matt was in our dimension helping to solve a past murder made it an exhilarating story! I can't wait to read the next one to see where she takes us again.

Searching For Closure by Iona Morrison

Book 9 of 11: A Blue Cove Mystery.

An Arizona heatwave, a murder, and a ghost searching for closure give Peyton Reynolds all she can handle on her long-awaited vacation.

When a body is found at the bottom of the pool of the resort she's staying at, Peyton leaps into action, starting CPR. She stops when she sees the young man's ghost watching her actions. And he's not alone.

Detective Jaxon Kincaid knows that Peyton is hiding something. How did she know the caliber of the weapon which killed the victim? And why is she so nervous and combative when she talks to him?

He's fascinated, but wary of this beautiful redhead. As their attraction grows, and as Peyton inserts herself into his case, can he protect her from someone who seems to want them both dead?

5 Stars: A Cozy Mystery with Paranormal Suspense!

Peyton Reynolds vacation is turned upside down while she is poolside. Peyton acts quickly to save a life, when her psychic visions interfere with the process, and her secret might soon be exposed.

I learned something while reading that I didn't know. I had never thought about the history behind the term 'cowboy' until Author Iona Morrison took me on this exciting adventure to Tucson Arizona, where the streets of Tombstone hold mysteries of their own.

Iona skillfully draws her readers into the drama, creating suspense and intrigue, with a dash of romance on the side. Let me bring you into the story at Chapter 12:

...Jaxon was waiting for Peyton when she stepped out of the tour van. He grabbed her hand, and she slapped at his arm and tried to pull free. He held tight. Silent treatment, he had expected and possibly worse. Side by side they walked beside each other in complete silence.

...When they reached Allen Street, the historic street of the old west and the tourist part of Tombstone, he noticed a sudden change in her demeanor. Something was up but what? "Are you okay?" he asked.

...She didn't respond but seemed to be mesmerized by something around her. He couldn't see anything, but she must be. The atmosphere around her seemed charged. He couldn't put his finger on what was happening, but she held his hand tight. Really tight. In a death grip, almost painfully so. He would take his cue from her because he had no idea what was happening with her. At one point, she ducked, flinched, and seemed to weave back and forth as if moving through a huge crowd. "Peyton, what's up?" She ignored the question. He kept pace with her and waited until she returned from wherever she had gone.

I invite you to read 'Searching for Closure' and discover the secret Peyton carries with her. This is a perfect story to enjoy anytime and anywhere. The characters will come alive in your mind, as the plot twists and turns, giving way to a new page. Whether this is the first book that you have read in the 'Blue Cove Mystery' series or not, you will want to read the entire series to discover for yourself what makes "Blue Cove" "such a unique place".

Iona Morrison is a multi-published Amazon bestselling author, who lives in Colorado. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.

Review by Abe Atencio: 5.0 out of 5 Stars. Another Exciting Adventure in the Blue Cove Mysteries

Reviewed in the United States on February 18, 2021. Verified Purchase. Just finished reading Searching for Closure by Iona Morrison. It has all the ingredients of a good read: a vacation in Tombstone is upended by a murder, a travel back in time to the wild west of Tombstone, and a budding romance between two new characters trying to solve the mystery with the help of ghosts! It's a welcome addition to the series, which will leave you asking for more!

Review by Ann: 5.0 out of 5 Stars. Another homerun! Reviewed in the United States on February 22, 2021. Verified Purchase. I just love how Iona's books keep getting better. Ideally enjoyed the new characters, but please keep Jesse around. Looking forward to some weddings.

Review by Natalie A.: 5.0 out of 5 Stars. Payton's place. Reviewed in the United States on March 15, 2021. Verified Purchase. I've read all the Blue Cove mysteries, and this book was a delightful departure. Looking forward to the next one!

Review by Linda H.: 5.0 out of 5 Stars. Loved this book! Reviewed in the United States on March 29, 2021. Iona Morrison is getting better each book she writes! Loved the new characters and the development of their characters. Can't wait to read Payton's next adventure!

As The Page Turns by Iona Morrison

Book 10 of 11: A Blue Cove Mystery.

Peyton Reynolds has no idea that the gorgeous summer day she is enjoying is about to take a strange turn and embroil her and her boyfriend Jaxon Kincaid in another case. As the details emerge, it won't take long for them to understand there is nothing normal about the murder Peyton has witnessed. An erratic suspect, a gathering of ghosts, and Peyton's sudden disappearance will leave Jaxon scrambling for answers in the pages of a book left behind. They will have to think outside the box with help from the past to solve this one.

5 Stars: Can Pages Of A Book Solve A Mystery?

Recovering from being shot while in Arizona, Peyton Reynold's decision to spend time in Blue Cove with her grandmother and cousin was a 'godsend' This was the perfect day for Katie's fairytale wedding. The Inn, renovated to its nineteen-eighteen historical period was intriguing, but a strange foreboding presence caused Payton apprehension.

Jaxon Kincaid, Peyton's boyfriend is turning off the highway into Blue Cover to surprise Peyton. Peyton continued to look out the window lost in thought. In her heart, she knew the wedding would be all that Katie wanted it to be. The loud banging at the kitchen screen door startled her. Standing outside was a young woman with blood splattered down the front of her clothes. This would be the just the beginning of the mysteries about to unfold.

Later, Peyton and her cousin Jessie go exploring in the attic. Let me bring you into their discussion in Chapter 14:

... "Peyton laughed and reached to steady Jessie who yanked her hand back and almost fell down the stairs taking Peyton with her. "Sorry. I forgot to warn you about the zing that comes when opening the door."

... "It didn't do that when Katie and I were up here searching through the trunks for the handkerchief."

... "Who opened the door?" she asked.

... "Katie did." Jessie wiggled her tingling fingers. "Mystery solved." Peyton stepped in front of Jessie and opened the door. "Now you can understand why I want to search up here. The atmosphere is zipping, and there is bound to be a good reason." Peyton opened the first trunk and went through it carefully. "Some of this stuff is cool."

...Jessie opened the doors of an old armoire. "Peyton, you've got to see this. We could have a costume party. Would you look at these clothes?" She wrapped a feather boa around her neck and placed one of the vintage hats on her head.

... "I'm not a fan of the feathers, but the hat is you with your golden curls spilling out. You look like you could be one of the women in Monet's famous garden painting except for your clothes of course." Peyton jumped when the attic door slammed with a loud bang. "Zip, zip, zip. See what I mean."

... "I wonder what that's all about." Jessie took off the boa and hat. She bent to open the drawer at the bottom of the armoire, but it wouldn't budge. A second attempt and one hard pull sent her falling backward onto her derriere. The drawer was still firmly closed. "A slamming door and a drawer that won't open has me more curious than ever. How about you?"

What happens next is terrifying for Jessie and Jaxon struggles to get the story straight.

If you love exploring old buildings, paranormal suspense, mysteries around murder, weddings and the charm of romance, you will love 'As The Page Turns' (Blue Cove Mystery Book 10) by Iona Morrison. Editorial Reviews (Book Marketing Global Network).

Review by Tammy W.: 5.0 out of 5 Stars. Surprise! Reviewed in the United States on September 27, 2021. Verified Purchase. Iona surprises us time and time again in this carefully woven adventure... bringing in new characters and intertwining them with the old, as well as creatively tying in historical events and time travel. The story line is easy to follow and thoroughly entertaining, although I found myself wondering where this was going to end up... until the final surprise...when the carefully woven tapestry emerged. Enjoy the journey!

Review by Ann: 5.0 out of 5 Stars. Don't want this series to end. Reviewed in the United States on October 21, 2021. Verified Purchase. I just love this series. The characters make you want to keep reading. I want to see Jessie and Matt get married. Please don't leave us hanging! I am excited to know what is coming next though.

Review by Debbie D: 5.0 out of 5 Stars. Another Great Suspense Novel by Iona Morrison. Reviewed in the United States on December 6, 2021. Verified Purchase. This was a great read while recovering from COVID!

Review by Abe Atencio: 5.0 out of 5 Stars. Another Great Story. Reviewed in the United States on January 9, 2022. So happy that Iona Morrison has written a 10th book, As the Page Turns, in the Blue Cove Mystery series. Once again, she takes us on a wild ride in the supernatural and manages to tie it in with current events and history repeating itself, with just the right amount of romance. It was a fascinating story with all the characters I've grown to love and the author's special sense of humor to balance the bizarre! Can't wait for the next one!

Review by Linda H.: 5.0 out of 5 Stars. Loved this book. Reviewed in the United States on October 31, 2021. I love the time travel aspect and the relationships between the characters. Are Jessie and Matt going to get married?

Beyond the Door by Iona Morrison.

Book 11 of 11: A Blue Cove Mystery.

Peyton Reynolds has settled into a new dream job when a reoccurring dream of a murder sends her searching for answers. In her quest, with a bit of magical help, she stumbles across an old diary from the year 1845, which she shares with her boyfriend Jaxon Kincaid. Jaxon Kincaid, a new FBI Agent and Peyton's love interest, will find himself at the heart of the case and try to keep Peyton grounded with his logical method of working through an investigation. But his world will soon be rocked by a dream or two and a sudden inheritance he wasn't expecting. Together they will solve an ongoing crime with deep roots in Irish legend, and voices silenced for generations will be heard when the invisible becomes visible beyond the door.

Review by Ann: 5.0 out of 5 Stars. The best story. Reviewed in the United States on January 14, 2023. Verified Purchase. I have loved all the books. They kept getting better and better. This is the best of them all. We need a wedding now.

Review by Abe Atencio: 5.0 out of 5 Stars. Another Great Story. Reviewed in the United States on December 6, 2022. Iona Morrison's 11th book, Beyond the Door, met all my expectations for another great story. Her skill at weaving the elements of history, legend, romance, social justice, murder, suspense, danger and a little bit of magic makes this a book you can't put down, all played out with the cast of characters that I have come to love. Anxiously awaiting the next Blue Cove Mystery!

A Common Thread (Blue Cove Mystery) by Iona Morrison

Book 12 of 12: A Blue Cove Mystery.

From the moment the woman rushed through her shop door nearly knocking her to the ground, Jessie Reynolds finds herself embroiled in another case. One that will not only solve several crimes but Matt's and her future as well. Jessie is convinced that a common thread links the crimes of a missing girl, a murder, and a possible serial killer all together. And with Matt Parker's logical approach she sets out to prove her theory. Matt is happy to collaborate with Jessie again even with the strangeness of a few ghosts, an improbable journey, and old enemies from the past thrown in. With a bit of charm and bribery on his part, the end of the case has the promise of future beginnings for them.

Stand-Alone Books

Destiny's Spring (Jelly Beans and Spring Things) by Iona Morrison

Part of: Jelly Beans and Spring Things (13 books)

Desirae Fontaine, better known by her friends as Destiny, is on her way to see her friend Peyton in Blue Cove. Having gone through a lot in her life the past few months, Destiny needs some downtime to reset her life.

Her adventure begins on the plane when she meets a sweet older woman named Mila Ferris. Their conversation during the flight leads to her sharing her heart with the kind woman and ends with a bit of unseen magic in a bag of jellybeans.

Evan Parker has his own hardships to overcome and could use the help of the kind old gentleman who comes with a little magic of his own.

Can two lonely hearts find love and two weary fairies find help in helping Anything can happen. It's Destiny's spring.

5 Stars: The magic of Spring is in the air!

I invite you to read Destiny's Spring, one of the books in The Wild Rose Press 'Jelly Beans and Spring Things' series by award-winning author Iona Morrison. Those of us who enjoyed the 'Blue Cove Mystery' series will recognize a couple of the main characters.

Desirae Fontaine, better known to us as Destiny, leaves her stress and grief of the past few months behind, as she boards a plane for Blue Cove. Destiny's uneasiness is apparent to Mila Ferris, as she settles into the seat beside Destiny. Maybe it is the sweet demeanor of this old lady, or comfort found in the bag of jelly beans Destiny brought on board, soon the two of them are deep in conversation and the magic begins.

Arriving in Blue Cove, Destiny stays in close contact with her mother by phone. Her mother informs her, she passed the bar exam. All her hard work and dreams to practice law has just come true. Now Destiny can relax, as Spring unfolds around her in Blue Cove. The Spring air is electric, there are new people to meet, and the possibilities are endless.

Blue Cove is a magical place where Destiny experiences things that are hard to explain. Her mother tells her "Even I have experienced some things in life for which there were no reasonable answers. At those moments, I would accept the gift that life handed me. It seems to me you need to do the same."

Can Destiny accept the gifts life is offering her, and is her heart ready for love, if it should blossom?

If you believe in magic, you will not want to miss one book in the 'Jelly Beans and Spring Things' series. I encourage you to read or re-read the 10 books in the 'Blue Cove Mystery' series. Iona Morrison is a multi-published Amazon bestselling, award-winning author. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.

Magic and Midnight Mint Bars (Christmas Cookies) by Iona Morrison

Part Of: Christmas Cookies (51 books).

Months after a bitter divorce, Sally Mansfield is spending Christmas with her best friends at the Blue Iris Inn. Fifty pounds thinner than the last time they were together; she is excited for her friends to see the change. She might still be wounded, her self-esteem at rock bottom, but Sally is determined to have a fun holiday with her friends.

A recent broken engagement brought Chad Bennett back to Blue Cove. Intrigued by Sally, he is interested in learning more, but she remains a closed book and truthfully so is he. Is it possible with the help of a little Christmas magic, a winsome sprite named Elida, some chocolate goodness, and friends, two lonely souls can find friendship and the possibility of a lot more over the holidays?

5 Stars: Proof That Christmas Is A Time For Magic!

Sally Mansfield is heading home to Blue Cove to spend Christmas with her childhood friends Jessie and Katie at the Blue Iris Inn. With the magic of falling snow, Christmas lights, Christmas decorations, and the promised Christmas festivities; surely this will help Sally heal and move into the next chapter of her life.

Let me quote: “Is it possible with the help of a little Christmas magic, a winsome sprite named Elida, some chocolate goodness, and friends, two lonely souls can find friendship and the possibility of a lot more over the holidays?”

If you love Christmas magic, friendships, secret Santa’s and chocolate; this is the perfect holiday book. A wonderful surprise is waiting for you at the end of this book. It is sure to bring holiday cheer, in a time where simple pleasures matter.

I encourage you to follow this book with Author Iona Morrison’s (10 books) ‘Blue Cove Mystery’ series. Iona Morrison is a multi-published Amazon bestselling author, who lives in Colorado. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.

Editorial Review (Book Marketing Global Network).

Review by J. A. Davis: 5.0 out of 5 Stars. Engaging and Sweet Read. Reviewed in the United States on November 9, 2021. Verified Purchase. Sally Mansfield has returned to the Blue Iris Inn in Blue Cove for the holidays to meet her childhood friends. She’s recovering from an abusive relationship. A recent broken engagement and job offer brought Chad Bennett back. Both are sworn to not repeat their mistakes and fall in love again.

You have to love the magic of Christmas and author Iona Morrison who puts it all together in her novella by using a Christmas sprite, named Elida, who chooses the name Holly as she appears in the real world. The cheerful sprite sets out to match Sally with Chad as she nudges them toward each other to help them rediscover love.

This is an enjoyable read with a hint of paranormal that makes it endearing for the Christmas season. And who doesn’t like mint bars, also a part of the story with an accompanying recipe at the end? This story is sweet, engaging, and an adorable read.

Review by Redi44Crew: 5.0 out of 5 Stars. Second Chance Romance is a Definite Must Read. Reviewed in the United States on November 9, 2021. Verified Purchase. Magic and Midnight Mint Bars by Iona Morrison is a touching tale of second chances. Sally and Chad have been brought together in her childhood town after painful breakups. It was obvious from their first meeting that they fit like two puzzle pieces. Their chemistry leaped from the page – even if their friends pushed them together at every turn.

However, my favorite character is Elida the fairy when she dresses in her disguise as Holly. Elida has magical glamor and can change herself to look like a little old lady to get away with mischief. From purposefully confusing the hero to rearranging the heroine’s schedule, her shenanigans were hilarious. All of her scenes had me on the edge of my seat, I needed to know what trouble she would stir up next!

Overall, I recommend this fairytale of second chances and magic to hopeless romantics who are looking for holiday magic.

Review by Bookworm Cherie: 5.0 out of 5 Stars. A holiday romance with a sprinkling of magic. Reviewed in the United States on November 11, 2021. Verified Purchase. Sally Mansfield is just out of a bad relationship, wounded and feeling low self-esteem she heads to Blue Iris Inn to spend Christmas with her best friends. Surrounded by people who love her and with the aide of someone I grew to think of as her fairy godmother, Sally stops blaming herself for the horrible events of her past. And did I mention there is a sweet, attractive man who isn't there to find love, but he can't help but notice Sally. Magic & Midnight Mint Bars has just the right amount of holiday spirit, friendship, romance, and hope. If you're in the mood for an inspirational story, you won't be disappointed.

Review by Sheila Hemingway: 5.0 out of 5 Stars. Such a sweet Christmas story. Reviewed in the United States on November 29, 2021. Verified Purchase. This is the next in the series about Jesse and Katie and their third friend. It really brought a smile to my face. To see Sally doing so well after her bitter divorce. Can't wait to see what happens between Sally and Chad. They both deserve to be happy.

Review by Tammy W.: 5.0 out of 5 Stars. Perfect. Reviewed in the United States on December 3, 2021. Verified Purchase. This is a lighthearted, fun to read Christmas story that captures the love of friends, the magic of the season, and hope for the future that we all treasure. This was the perfect read to get me ready for the holiday season.

Review by Linda H.: 5.0 out of 5 Stars. Sweet Christmas story. Reviewed in the United States on December 9, 2021. Verified Purchase. Loved this story about second chances and healing from past abuse! Loved the Christmas sprite as well! The recipe for the magic mint bars was delicious.

Review by Ann: 5.0 out of 5 Stars. Great Holiday book. Reviewed in the United States on November 22, 2021. Verified Purchase. Thank you for the extra dose of Blue Cove in this fun holiday book. We need more! A wedding would be perfect.

Review by T Mac: 5.0 out of 5 Stars. Perfect lite Christmas reading. Reviewed in the United States on December 31, 2021. Loved this book. Quick easy read. Fun premise in the book. Gave you a warm feeling inside reading this book Hope Iona does more books in this style and length. Highly recommend.

Author Bio: I am a multi-published Amazon bestselling author who writes romantic suspense with a touch of the paranormal. I enjoy writing fiction. The character development, their stories, and the twists and turns in the plot intrigue me. Once I let the characters loose, I can't wait to see where they take me. I'm hooked from the first words on the paper, and I have to keep writing to see how the story ends. Layer by layer I build it until I come to the happy conclusion.

I live in Colorado with my husband and family. I am a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and have enjoyed becoming involved in my community as one of the many authors living in Colorado. I invite you to read one of my Blue Cove Mysteries and see for yourself why Blue Cove is a special and unusual place.
