Fancy isn't like the other fish in his school. He not only loves swimming and blowing round bubbles but he also adds flair to his bubbles.

The other fish won't let Fancy stay unless he agrees to create only round bubbles, despite admiring his skill. Though it makes him sad, Fancy decides to leave home and look for a place where he can express himself freely.

While on his journey, Fancy makes friends with two creatures who, like him, struggle to fit in: an oyster named Ruby and a squid named Glimmer.

The three friends journey across the sea and discover a place that they might call home.

Review by Robin Walton: 5.0 out of 5 Stars. Exciting and Engaging! Reviewed in the United States on July 17, 2023. Verified Purchase. This is the perfect book for our youth to learn about the beauty in diversity! I was so excited to read more and learn how the characters would represent their own unique ability. And the colors are splendid and will capture your attention! The story is relevant for our youth and told very well. Great job!!

Review by Matthew J. Brady: 5.0 out of 5 Stars. Charming read celebrating inclusion with soft anti-bullying undertones. Reviewed in the United States on July 25, 2023. Verified Purchase. It's nice to find a character-building story that doesn't use a hammer to drive home the value of diversity over bullying. A Fish Named Fancy is an easy read with clever illustrations that is sure to become a bedtime story favorite. Recommend snapping this one up before Fancy swims away!

Review by Karen: 5.0 out of 5 Stars. Read how Fancy the fish encourages others to be different. Reviewed in the United States on January 16, 2024. Verified Purchase. This is a little longer tale but is well worth it! Fancy the fish is adorable! Lots of colors and shapes can be found in the exciting illustrations. This is not only for children who have been thrown out by their friends, but for those kids who are doing the 'throwing out', too!

Review by Blue Owl: 5.0 out of 5 Stars. Lovely book! Reviewed in the United States on August 12, 2023. Verified Purchase. A Fish named Fancy by Ellwyn Autumn is a sweet story about acceptance, uniqueness, and community. Beautifully illustrated. I can't wait to share the book with my grandchildren.

Review by Karima: 5.0 out of 5 Stars. Amazing Book For Kids. Reviewed in the United States on July 16, 2023. It is an amazing story to read to your kids. It is okay to be different like fancy, you can always find friends along the way, that are like you! I highly recommend that you get this book for your kids!

Review by GmsPA: 5.0 out of 5 Stars. This book is terrific for any child who has ever felt like they didn't fit in! Reviewed in the United States on July 29, 2023. I love this book and so does my daughter.

Review by Malak: 5.0 out of 5 Stars. Great Book for kids! Reviewed in the United States on July 16, 2023. A Fish Named Fancy was a great book for my little brother to read.

Review by SunshineDaily: 5.0 out of 5 Stars. This book is WONDERFUL - a must read! Reviewed in the United States on September 4, 2023. I read it in one go and I couldn't believe how moved I was. Fancy, Ruby and Glitter just didn't fit in. They were just too unique to be accepted where they were, but the book is a journey of self-discovery and self-acceptance... and eventually they find their forever home. A beautiful place filled with color and happiness. The illustrations served the story to a T! I mean i felt like a guitar -

every emotion being plucked! I actually found a few tears of joy falling by the end. Wow! So glad I read this. Can't wait to share it with my 5-year-old!

About The Author: Ellwyn Autumn is an American author/blogger and a certified teacher with a Master's Degree In Education. She writes children's picture books, middle-grade novels, and Young Adult fiction.

Ellwyn discovered her passion for writing in second grade when she had to write a book report for school. She was so excited to write the report, until her mother told her that she had to write about someone else's book and not her own story. Ellwyn became indignant and decided that once she finished the book report she would most certainly write her own original story. She has been writing ever since!

Ellwyn lives with her family in Pennsylvania. She loves all things magical, curling up with a good book, writing stories, and almost anything with chocolate in it.
