Don't Be Like That by Cynthia A. King.

A Riches To Rags Romance.

"Don't Be Like That" is an emotional rollercoaster that follows Leslie, a woman whose life is turned upside down when her husband, Paul, vanishes, leaving behind a trail of financial fraud and broken promises. Leslie must navigate the fallout, facing an FBI investigation, shattered family relationships, and her struggle for survival in a world where trust is scarce. As Leslie fights to clear her name and pick up the pieces of her life, she discovers strength she never knew she had. A gripping story about betrayal, love, and resilience, this contemporary novel will keep readers on the edge of their seats.

How JoJo Got Her Mojo Back by Cynthia A. King.

Fiction: Dysfunctional Family Saga.

Josephine Anderson has one heck of a marriage to clean up. It would be easier if she knew where Ray, her AWOL husband went but he didn't leave a forwarding address. She always imagined her retirement would involve a chaise lounge and a Pina Colada, but since Ray disappeared it sort of wrecked her vision. After giving him three wonderful kids and the best years of her life, he has the nerve to leave her now.

While waiting for his return she makes some new friends. Friends she might like more than Ray. She passes the time visiting Helen, an elderly woman with a son who kind of likes Josephine. She has a big German Shepherd and a teenage girl in exile because she might be gay as her handler. They form a bond over the summer only to have it threatened by Ray's return.

It's at Helen's funeral where Ray shows up and causes a scene. Josephine has to decide what direction she wants her life to go from here. Her kids want her to reconcile and restore the family home. Ray wants his wife back. But nobody figures Josephine has a few wants of her own.

Review by Sharon M. Ciciriello: 5.0 out of 5 Stars. I liked this book! Reviewed in the United States on October 20, 2023. Verified Purchase. An enjoyable book about female empowerment. I think we all know a JoJo, ladies.

Review by Don. 5.0 out of 5 Stars. Excellent Book! Reviewed in the United States on June 23, 2023. Verified Purchase. Thoroughly enjoyed this book! I enjoyed the characters in the plot and couldn't put it down! If you want a good read pick this book up you will enjoy it! Special thanks to the author

Review by Anne: 5.0 out of 5 Stars. Wonderful Beach Read. Reviewed in the United States on June 13, 2023. Verified Purchase. Great book to pick up and read.

Review by Roberta Cullen: 5.0 out of 5 Stars. Great book! Reviewed in the United States on November 26, 2022. Verified Purchase. I really enjoyed this book. The story of JoJo and her relationships throughout this book were very interesting! The author's quick wit and humor made this book very easy to read. Was definitely one of my favorite books!

Review by Janis Woodard. 5.0 out of 5 Stars. Great read! Reviewed in the United States on February 12, 2023. Verified Purchase. Empowerment! Review by Ismael Rodriguez: 5.0 out of 5 Stars. Unique and Well-Developed Characters. Reviewed in the United States on May 3, 2023. I really enjoyed reading this book! The story of JoJo and her relationships throughout the book were incredibly interesting and kept me engaged from start to finish. The author's quick wit and humor added an extra layer of enjoyment to the book and made it very easy to read.

One of the things I loved about this book was the unique and well-developed characters. JoJo, in particular, was a fantastic protagonist who I found myself rooting for throughout the entire story. Her struggles with her messy marriage and her newfound friendships made for a compelling and emotional journey.

The pacing of the book was also excellent, with just the right amount of tension and drama to keep things interesting without ever feeling too overwhelming. Overall, I would definitely recommend this book to anyone looking for a fun and engaging read.

Josephine's situation was tough, and it was heart-wrenching to see her struggle with her emotions while waiting for Ray's return. But her newfound friends, Helen and her dog, provided her with some much-needed companionship and support during a difficult time.

The scene at Helen's funeral where Ray shows up and causes a scene was incredibly well-written, and it had me on the edge of my seat. Josephine's decision to choose her own path, despite the expectations of her children and husband, was empowering and made for a satisfying conclusion to the story.

Overall, this book was a lot of fun, and I'm glad I had the opportunity to read it. If you're looking for a well-written and engaging novel with a relatable protagonist and a cast of memorable characters, then this book is definitely worth checking out.

Review Caryn: 5.0 out of 5 Stars. A Fun Book With A Lot Of Heart. Reviewed in the United States on January 5, 2023. This book is a lot of fun. The characters are unique, the pacing is good, and overall, I enjoyed reading it.

Paradise Point by Cynthia A. King.

Novel: A Mid-Life Romance.

Never married Aimee Dunsmore hides her identity as a successful Gothic Romance ghostwriter. Happy to toil away in relative obscurity, a chance encounter with a man she meets at the grocery store causes her to reevaluate her priorities. For Aimee to take a risk on love in real life she has to take her head out of the clouds, put her heart in play and decide if Mitch is truly the one to go all in on. His unstable ex -wife is determined to make it impossible for Mitch to ever be happy again. She finds out about Aimee and goes to extremes to drive her away for good.

Review: Updated Content: Reviewed in the United States on March 13, 2024. Verified Purchase.

I'll be honest. I wrote this book, and it originally had a different cover. I changed the cover, but I don't think it's a new book, just a reissue. I changed the cover to communicate there's a love story here. It's Aimee and Mitch. She's older and happily single. Mitch is divorced, older with two grown children. His marriage failed because of the erratic behavior of his wife Sandy. Sandy has bipolar disorder. She has the bad habit most of us have- we follow doctors' orders until we feel well and stop doing what got us better. Early in their marriage she's stable. She takes her meds, and they have a nice family. Once the kids are in high school, she stops her meds and spirals out of control. They divorce and he's so scarred from their marriage all he wants to do is go out on his boat and fish in solitude. He meets Aimee and decides he likes her. Sandy finds out and decides Mitch will never be happy again. Things escalate as the do in these types

of situations. I won't say any more other than the topic of mental illness is prevalent, and I tried to treat it gently. It may be too much for some.

Review by king: 5.0 out of 5 Stars. Exciting romance novel to read in a cozy spot. Reviewed in the United States on November 12, 2023. Verified Purchase. I couldn't put it down! Highly recommend!

Review by Don: I thoroughly enjoyed Broke 1 of the series. 5.0 out of 5 Stars. Excellent Read. Reviewed in the United States on June 18, 2023. Verified Purchase. The story was entertaining, the characters engaging, well thought out. I would recommend this book to anybody who likes a feel-good read.

Review by Anne: 5.0 out of 5 Stars. Pick up for your summer vacation. Reviewed in the United States on June 13, 2023. Verified Purchase. Grab this book and beach chair. Great way to spend the afternoon

The Replacements by Cynthia A. King.

A Fractured Family Fairy Tale.

"The Replacements: A Fractured Family Fairy Tale" by Cynthia A. King explores the complex dynamics of family relationships and personal growth. In a small town where everyone knows each other, Valerie finds herself attending the funeral of her ex-mother-in-law, reflecting on her past and the bonds that were formed and broken. As she navigates through memories and confronts the challenges of forgiveness and redemption, Valerie learns that healing and happiness can be found in the most unexpected moments. This emotional journey highlights the importance of kindness, the power of creativity, and the joy of spending time with loved ones. An engaging read that beautifully captures the struggles and triumphs of a fractured family.

About The Author: Is there life after menopause? Cynthia A. King thinks so and writes fiction for mature women. A married empty nester, she focuses on issues faced by adult women: cheating spouses, the adult child living in her basement with no exit plan, ageism, illness, being in debt up to their tattooed eyebrows and dealing with their situations with humor and grace, occasionally a sledgehammer or other heavy implement. There is always a man, not necessarily her husband, for romantic high jinks. This is what happens when chick-lit grows up and discovers their Prince Charming is really Prince Harry. No werewolves or vampires required; these ladies might put a stake through your heart. One of her adult daughters is herself a writer, and does social media author-based content. While referring to the phenomenon of niches, she says my mother has her own niche: the angry post-menopausal woman. Huh. I didn't know she was paying attention.

Cynthia had good Catholic parents who had five kids. She married Tom whose parents were also good Catholics with seven kids. The amount of kids means a deep well of (dysfunctional) material. That's important because characters are what drive her to write. She loves to create books rich in characters facing the same human condition-life, and how they deal with it. Her stories are humorous and feature a

lot of oddballs in ridiculous situations. She is also an animal lover and may include a dog or cat who sometimes are the sanest characters in the room. If you're looking for a beach read or are flying Southwest and stuck in an airport, her books are an enjoyable way to pass the time.
