The Tycoon by Cynthia Woolf.
Book 4 of 5: Colorado Billionaires Series.

Cole Kincaid built his oil empire through sheer grit and ambition—but after a catastrophic spill on one of his Gulf platforms, he’s become the target of a relentless enemy who wants to destroy him. With danger closing in, he hires Regan Phillips, a former Army Ranger turned elite bodyguard. She’s tough, disciplined, and completely off-limits—but the more time they spend together, the harder it is to ignore the heat between them.

Regan is as sharp as she is fearless. Her rule is simple—protect the client, never get personal. But Cole Kincaid isn’t just another high-profile assignment. He’s commanding, loyal, handsome and far too tempting for her peace of mind.

As the threats close in and the attacks grow bolder, the line between duty and desire begins to blur. Regan’s instincts scream to keep her distance—but her heart has other plans. And when the enemy strikes close to home, it’s not just Cole’s life at risk...but everything they’re beginning to feel for each other.

The Tycoon is a gripping romantic suspense about trust, betrayal, and a love strong enough to weather any storm—even the ones closing in from the shadows.

About The Author: Cynthia Woolf is the USA Today Bestselling and award-winning author of eighty-four novels and novellas consisting of sixty-seven historical western romances, eleven contemporary romances and six sci-fi, space opera romances, which she calls westerns in space. Along with these books, she has twelve boxed sets of her books. Her eighty-fifth novel, THE MAVERICK, will be published on April 24, 2025.

Cynthia loves writing and reading romance. Her first western romance, Tame A Wild Heart, was inspired by the story her mother told her of meeting Cynthia's father on a ranch in Creede, Colorado. Although

Tame A Wild Heart takes place in Creede, that is the only similarity between the stories. Her father was a real cowboy, not a bounty hunter, and her mother was a nursemaid (called a nanny now), not the ranch owner.

Cynthia credits her wonderfully supportive husband Jim and her great critique partners for saving her sanity and allowing her to explore her creativity.
