The Harvest Club by Iona Morrison.

A Blue Cove Mystery Book 1.

Jessie Reynolds has no idea when she moves to Blue Cove, that she will be sharing her life with a ghost. A young pastor has been murdered, and Jessie finds herself following the trail of that death into the dark and deadly world of organ trafficking.

Jessie is soon introduced to the detective in charge of the case. Matt Parker is a tall, scruffy, ruggedly handsome man who takes an instant dislike to her and the feeling is mutual. He wants her out of his case and she finds herself entangled in it. The tension between them mounts and so does the attraction.

#### A Blue Cove Mystery Book 2.

A desperate young girl cries out for help as she hides in terror, hoping against hope that someone might hear her. Jessie Reynolds does and finds herself caught up in an equally desperate search for Abigail. She has escaped human traffickers, but has no idea where she is, and Jessie must find her in time. She joins forces with Matt, the chief of police, and they discover that Abigail is only one of several kidnapped children.

Faced by a cold trail, they must rely on Jessie's ability to hear Abigail's thoughts, backed up by a tracking bloodhound. But the children mean big money and that brings murder and a hit man to Blue Cove to clean up the mess. Matt and Jessie grow closer as they are forced to work side by side, but will they find Abigail in time? And will they, themselves, survive?

**The Game Changer by Iona Morrison.**

**A Blue Cove Mystery Book 3.**

Jessie is busy getting her new bookstore ready for its grand opening when deliveryman Evan Foster arrives with an order of books. To her shock, the suddenly distraught Evan tells her that he has seen her in a dream. She is the only person who can help him find his missing wife. Jessie calls her boyfriend Matt, the chief of police, and almost immediately, a picture of the abduction forms in her mind. Jessie is once more involved in a case.

Missing files, strange fetishes, and general chaos worry Matt, but when a note shows up in Jessie's mail, they are off and running following the new clues. Three separate cases merge into one, which takes them from Blue Cove to Palm Springs. A kidnapping, a stalker, and illegal weapons converge with the dark arts of voodoo, pushing Matt and Jessie to their limits. They are running out of time as the dark perpetrator stalks Jessie.

### Dance With A Devil by Iona Morrison.

#### A Blue Cove Mystery Book 4.

Jessie is enjoying an evening run; grateful her life is finally back to normal. Starting the incline toward home, a sudden terror grips her. Someone is watching her. She picks up her pace, but he's hot on her heels—and he means to kill her. She narrowly manages to elude her pursuer and reach the safety of her house.

The first one she calls for help is the man she has grown to love, Matt Parker. Matt already has his hands full dealing with a notorious hitman who's in the area and a thug who followed a visitor to Blue Cove. Now Jessie is in danger, and Matt will do anything to keep her safe. He can't lose her now. When Matt becomes the target, it's Jessie's turn to help. She has a few surprises in store as a few ghostly friends come to her aid.

**Only A Shadow by Iona Morrison.**

**A Blue Cove Mystery Book 5.**

Trouble rears its head once again in Blue Cove and dashes straight into Jessie's store in the person of a battered young woman fleeing her abusive spouse. Jessie finds herself pulled into another case as a body

is discovered in the church dumpster, and the dead woman's ghost takes up a vigil in Jessie's place of business. Is the dead woman connected to the frightened and battered girl who took refuge in the store?

Matt and Jessie's search for the killer leads them to their victim's family, members of a strange religious group that lives off the grid outside of town. Add to the mix a crypt in the woods on a foggy night, Jessie's abduction, a couple of angry and abusive husbands, and the resident ghost, and they will have their hands full solving this crime. Will Matt and Jessie's love for each other keep them grounded until justice can be served?

### The Final Flashpoint by Iona Morrison.

#### A Blue Cove Mystery Book 6.

Ghosts of the dead swirl around Jessie Reynolds seeking her help. Two bodies have washed ashore in Blue Cove. When a third body is discovered, evidence links the victims to a group of missing college students. A fourth student is still missing, and the spirits will not rest until he is found. Police Chief Matt Parker, the love of Jessie's life, will have to handle this case alone.

Further investigation shows the murders are more than local hate crimes. Matt finds himself targeted by the same suspects as the victims and must rely on experience and training to survive. It will take more than his skills to bring the criminals to justice and survive what they have planned for him. He will need Jessie and the spirits' otherworldly help to make it back alive. Will love triumph over evil and give Jessie and Matt a chance at love?

**Finding A Way Forward by Iona Morrison.**

**A Blue Cove Mystery Book 7.**

When a ghost decides it's high time for her murder to be solved, she chooses Jessie Reynolds to solve the cold case. Armed with only the girl's name, Jessie goes in search of information and is stunned to find a

link connecting the dead girl to Matt Parker. Is it possible the man Jessie cares about had something to do with the crime?

As the case unfolds, Matt and Jessie have all they can handle dealing with two possibly connected murders, a menacing man from Jessie's past, and the knowledge of a porn ring at the local high school that could take down several prominent citizens of Blue Cove. Racked with questions and doubts about their relationship, Jessie will have to work with Matt to find a way to bury the past and build a bridge to the future.

### Key To The Past by Iona Morrison.

#### A Blue Cove Mystery Book 8.

Plans for a romantic weekend celebrating their recent engagement at a charming inn go awry when Detective Matt Parker and bookstore owner Jessie Reynolds are suddenly pulled into another case.

A missing girl's ghost, an antique key, and an improbable journey take Jessie into another dimension to solve the murder, leaving Matt behind to wonder if he will ever see her again.

Bullets fly and sparks ignite—as the past and the present collide, in their most unusual case to date.

**Searching For Closure by Iona Morrison.**

**A Blue Cove Mystery Book 9.**

An Arizona heatwave, a murder, and a ghost searching for closure give Peyton Reynolds all she can handle on her long-awaited vacation.

When a body is found at the bottom of the pool of the resort she's staying at, Peyton leaps into action, starting CPR. She stops when she sees the young man's ghost watching her actions. And he's not alone.

Detective Jaxon Kincaid knows that Peyton is hiding something. How did she know the caliber of the weapon which killed the victim? And why is she so nervous and combative when she talks to him?

He's fascinated, but wary of this beautiful redhead. As their attraction grows, and as Peyton inserts herself into his case, can he protect her from someone who seems to want them both dead?

**Awarded 5 Stars By The Editor At Book Marketing Global Network. A Cozy Mystery With Paranormal Suspense!**

Peyton Reynolds vacation is turned upside down while she is poolside. Peyton acts quickly to save a life, when her physic visions interfere with the process, and her secret might soon be exposed.

I learned something while reading that I didn't know. I had never thought about the history behind the term 'cowboy' until Author Iona Morrison took me on this exciting adventure to Tucson Arizona, where the streets of Tombstone hold mysteries of their own.

Iona skillfully draws her readers into the drama, creating suspense and intrigue, with a dash of romance on the side. Let me bring you into the story at Chapter 12:

...Jaxon was waiting for Peyton when she stepped out of the tour van. He grabbed her hand, and she slapped at his arm and tried to pull free. He held tight. Silent treatment, he had expected and possibly worse. Side by side they walked beside each other in complete silence.

...When they reached Allen Street, the historic street of the old west and the tourist part of Tombstone, he noticed a sudden change in her demeanor. Something was up but what? "Are you okay?" he asked.

...She didn't respond but seemed to be mesmerized by something around her. He couldn't see anything, but she must be. The atmosphere around her seemed charged. He couldn't put his finger on what was happening, but she held his hand tight. Really tight. In a death grip, almost painfully so. He would take his cue from her because he had no idea what was happening with her. At one point, she ducked, flinched, and seemed to weave back and forth as if moving through a huge crowd. "Peyton, what's up?" She ignored the question. He kept pace with her and waited until she returned from wherever she had gone.

I invite you to read 'Searching for Closure' and discover the secret Peyton carries with her. This is a perfect story to enjoy anytime and anywhere. The characters will come alive in your mind, as the plot twists and turns, giving way to a new page. Whether this is the first book that you have read in the 'Blue Cove

Mystery' series or not, you will want to read the entire series to discover for yourself what makes "Blue Cove" "such a unique place".

Iona Morrison is a multi-published Amazon bestselling author, who lives in Colorado. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.

### As The Page Turns by Iona Morrison.

#### A Blue Cove Mystery Book 10.

Peyton Reynolds has no idea that the gorgeous summer day she is enjoying is about to take a strange turn and embroil her and her boyfriend Jaxon Kincaid in another case. As the details emerge, it won't take long for them to understand there is nothing normal about the murder Peyton has witnessed. An erratic suspect, a gathering of ghosts, and Peyton's sudden disappearance will leave Jaxon scrambling for answers in the pages of a book left behind. They will have to think outside the box with help from the past to solve this one.

Awarded 5 Stars By The Editor At Book Marketing Global Network. Can Pages Of A Book Solve A Mystery?

Recovering from being shot while in Arizona, Peyton Reynold's decision to spend time in Blue Cove with her grandmother and cousin was a 'godsends' This was the perfect day for Katie's fairytale wedding. The Inn, renovated to its nineteen-eighteen historical period was intriguing, but a strange foreboding presence caused Peyton apprehension.

Jaxon Kincaid, Peyton's boyfriend is turning off the highway into Blue Cover to surprise Peyton. Peyton continued to look out the window lost in thought. In her heart, she knew the wedding would be all that Katie wanted it to be. The loud banging at the kitchen screen door startled her. Standing outside was a young woman with blood splattered down the front of her clothes. This would be the just the beginning of the mysteries about to unfold.

Later, Peyton and her cousin Jessie go exploring in the attic. Let me bring you into their discussion in Chapter 14:

... "Peyton laughed and reached to steady Jessie who yanked her hand back and almost fell down the stairs taking Peyton with her. "Sorry. I forgot to warn you about the zing that comes when opening the door."

... "It didn't do that when Katie and I were up here searching through the trunks for the handkerchief."

... "Who opened the door?" she asked.

... "Katie did." Jessie wiggled her tingling fingers. "Mystery solved." Peyton stepped in front of Jessie and opened the door. "Now you can understand why I want to search up here. The atmosphere is zipping, and there is bound to be a good reason." Peyton opened the first trunk and went through it carefully. "Some of this stuff is cool."

... Jessie opened the doors of an old armoire. "Peyton, you've got to see this. We could have a costume party. Would you look at these clothes?" She wrapped a feather boa around her neck and placed one of the vintage hats on her head.

... "I'm not a fan of the feathers, but the hat is you with your golden curls spilling out. You look like you could be one of the women in Monet's famous garden painting except for your clothes of course." Peyton jumped when the attic door slammed with a loud bang. "Zip, zip, zip. See what I mean."

... "I wonder what that's all about." Jessie took off the boa and hat. She bent to open the drawer at the bottom of the armoire, but it wouldn't budge. A second attempt and one hard pull sent her falling backward onto her derrière. The drawer was still firmly closed. "A slamming door and a drawer that won't open has me more curious than ever. How about you?"

What happens next is terrifying for Jessie and Jaxon struggles to get the story straight.

If you love exploring old buildings, paranormal suspense, mysteries around murder, weddings and the charm of romance, you will love 'As The Page Turns' (Blue Cove Mystery Book 10) by Iona Morrison. ### Beyond The Door by Iona Morrison.

#### A Blue Cove Mystery Book 11.

Peyton Reynolds has settled into a new dream job when a reoccurring dream of a murder sends her searching for answers. In her quest, with a bit of magical help, she stumbles across an old diary from the year 1845, which she shares with her boyfriend Jaxon Kincaid. Jaxon Kincaid, a new FBI Agent and Peyton's love interest, will find himself at the heart of the case and try to keep Peyton grounded with his logical method of working through an investigation. But his world will soon be rocked by a dream or two and a sudden inheritance he wasn't expecting. Together they will solve an ongoing crime with deep roots in Irish legend, and voices silenced for generations will be heard when the invisible becomes visible beyond the door.

**A Common Thread by Iona Morrison.**

**A Blue Cove Mystery Book 12.**

From the moment the woman rushed through her shop door nearly knocking her to the ground, Jessie Reynolds finds herself embroiled in another case. One that will not only solve several crimes but Matt's and her future as well. Jessie is convinced that a common thread links the crimes of a missing girl, a murder, and a possible serial killer all together. And with Matt Parker's logical approach she sets out to prove her theory. Matt is happy to collaborate with Jessie again even with the strangeness of a few ghosts,

an improbable journey, and old enemies from the past thrown in. With a bit of charm and bribery on his part, the end of the case has the promise of future beginnings for them.

### A Rising Tide by Iona Morrison.

#### A Blue Cove Mystery Book 13.

Jessie Reynolds returns from her trip to Ireland armed with some fascinating discoveries about herself and the gift that runs through many of the women in her ancestral line. How will all these discoveries alter her life? Not to mention Matt's, her fiancé. Add a troubling dream into the equation, and she can't help but wonder how her levelheaded guy will be able to handle this new side of her.

Once again Matt will be challenged to think outside the box when Jessie's look-alike relative from the past shows up along with several ancient artifacts, and a grumpy ghost who takes up residency in her store to guard them. With all the strangeness that surrounds their relationship Matt finds himself more in love with his little warrior than ever.

**A Wedding To Remember by Iona Morrison.**

**A Blue Cove Mystery Book 14.**

With Jessie Reynolds and Matt Parker's wedding fast approaching they are hoping for smooth sailing and a joyous celebration with family and friends. It doesn't take long for them to realize someone doesn't

want their wedding to happen at all. Twice in one day Matt survives an attempt on his life. It seems they are destined to ride the roller coaster to their big day. The old and the new will collide with the past and the present. Someone from their past has waited for this moment to enact their revenge. Only with a bit of magic and support from their friends will they have a wedding to remember and day they'll never forget.

**Editorial Reviews ★★★★★:** "A Wedding to Remember is a delightful blend of romance, mystery, and a touch of the supernatural. Set in the picturesque town of Blue Cove, the story follows Jessie, who has the unusual ability to communicate with spirits, as she navigates the complexities of planning her wedding to the love of her life, Matt, while also facing mysterious threats that put their future in jeopardy. With a host of colorful characters, both living and spectral, the novel is as much about love as it is about overcoming the unexpected.

Blue Cove feels alive with its blustery autumn winds, charming shops, and a cemetery that holds more than a few secrets. I loved how the town became a character in itself, and the opening chapter beautifully set the tone with Jessie watching a red leaf dancing in the wind—a small moment that echoes the balance between tranquility and turbulence in her life. Morrison's prose is warm and inviting, though at times, I felt the descriptions leaned a bit heavily on exposition.

Jessie is a relatable and endearing protagonist. Her relationship with Matt, however, is the emotional anchor of the story. Their chemistry is tender and believable, whether they're sharing quiet moments or weathering chaos together. A standout scene for me was when Jessie intercepted a threatening phone call. The mix of humor, dread, and resolve captured her duality—someone both ordinary and extraordinary, just trying to make it to her wedding day without catastrophe.

One aspect I found both fascinating was the integration of the supernatural elements. Jessie's interactions with ghosts and fairy-like guardians added an intriguing layer, but some moments felt overly whimsical and disrupted the mystery's tension. That said, Gina's spectral presence, as the first ghost Jessie encountered, provided a heartfelt throughline about how the past shapes the present.

Morrison also shines when exploring themes of community and purpose. Jessie's reflections on using her "gift" to help others—whether solving murders or giving voice to the voiceless—are thought-provoking. The chapter where she dreams of meeting the spirits she's helped over the years was particularly moving for me. It's a poignant reminder of how small acts can ripple outward, affecting lives in unexpected ways.

A Wedding to Remember is a cozy and heartfelt read with a unique blend of romance, mystery, and magic. It's a story with a lot of heart. I'd recommend this book to fans of small-town mysteries, light paranormal romances, and anyone who enjoys tales with a whimsical twist." Literary Titan

## **A Blue Cove Mystery Book 15.**

Peyton Reynolds is pulled into another case when she finds a body while jogging. Her discovery is only an introduction to an investigation that will wind its way from Blue Cove to a college campus in a nearby town. In the process Peyton will learn more about the gifts passed to her from an ancient relative and an old Irish legend possibly still at work.

F.B.I Agent Jaxon Kincaid isn't surprised when Peyton's discovery intersects with his investigation at the college. Thinking outside the box is a must when it comes to working with her. Having a girlfriend who can see ghosts and help track body-jumpers can blow his mind—still they make a great team whether in work or love.

An ancient evil taunts Peyton and Jaxon as they search for clues. Will their detective and paranormal skills be enough to stop a killer before he claims another body or not?

### Destiny's Spring by Iona Morrison.

#### Part Of: Jelly Beans and Spring Things (13 books)

Desirae Fontaine, better known by her friends as Destiny, is on her way to see her friend Peyton in Blue Cove. Having gone through a lot in her life the past few months, Destiny needs some downtime to reset her life.

Her adventure begins on the plane when she meets a sweet older woman named Mila Ferris. Their conversation during the flight leads to her sharing her heart with the kind woman and ends with a bit of unseen magic in a bag of jellybeans.

Evan Parker has his own hardships to overcome and could use the help of the kind old gentleman who comes with a little magic of his own.

Can two lonely hearts find love and two weary fairies find help in helping Anything can happen. It's Destiny's spring.

#### **Awarded 5 Stars By The Editor At Book Marketing Global Network. The Magic Of Spring Is In The Air!**

I invite you to read Destiny's Spring, one of the books in The Wild Rose Press 'Jelly Beans and Spring Things' series by award-winning author Iona Morrison. Those of us who enjoyed the 'Blue Cove Mystery' series will recognize a couple of the main characters.

Desirae Fontaine, better known to us as Destiny, leaves her stress and grief of the past few months behind, as she boards a plane for Blue Cove. Destiny's uneasiness is apparent to Mila Ferris, as she settles into the seat beside Destiny. Maybe it is the sweet demeanor of this old lady, or comfort found in the bag of jelly beans Destiny brought on board, soon the two of them are deep in conversation and the magic begins.

Arriving in Blue Cove, Destiny stays in close contact with her mother by phone. Her mother informs her, she passed the bar exam. All her hard work and dreams to practice law has just come true. Now Destiny can relax, as Spring unfolds around her in Blue Cove. The Spring air is electric, there are new people to meet, and the possibilities are endless.

Blue Cove is a magical place where Destiny experiences things that are hard to explain. Her mother tells her "Even I have experienced some things in life for which there were no reasonable answers. At those moments, I would accept the gift that life handed me. It seems to me you need to do the same."

Can Destiny accept the gifts life is offering her, and is her heart ready for love, if it should blossom?

If you believe in magic, you will not want to miss one book in the 'Jelly Beans and Spring Things' series. I encourage you to read or re-read the 10 books in the 'Blue Cove Mystery' series. Iona Morrison is a multi-published Amazon bestselling, award-winning author. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.

**Magic and Midnight Mint Bars by Iona Morrison.**

**Part Of: Christmas Cookies (51 Books).**

Months after a bitter divorce, Sally Mansfield is spending Christmas with her best friends at the Blue Iris Inn. Fifty pounds thinner than the last time they were together; she is excited for her friends to see the

change. She might still be wounded, her self-esteem at rock bottom, but Sally is determined to have a fun holiday with her friends.

A recent broken engagement brought Chad Bennett back to Blue Cove. Intrigued by Sally, he is interested in learning more, but she remains a closed book and truthfully so is he. Is it possible with the help of a little Christmas magic, a winsome sprite named Elida, some chocolate goodness, and friends, two lonely souls can find friendship and the possibility of a lot more over the holidays?

**Awarded 5 Stars By The Editor At Book Marketing Global Network. Proof That Christmas Is A Time For Magic!**

Sally Mansfield is heading home to Blue Cove to spend Christmas with her childhood friends Jessie and Katie at the Blue Iris Inn. With the magic of falling snow, Christmas lights, Christmas decorations, and the promised Christmas festivities; surely this will help Sally heal and move into the next chapter of her life.

Let me quote: "Is it possible with the help of a little Christmas magic, a winsome sprite named Elida, some chocolate goodness, and friends, two lonely souls can find friendship and the possibility of a lot more over the holidays?"

If you love Christmas magic, friendships, secret Santa's and chocolate; this is the perfect holiday book. A wonderful surprise is waiting for you at the end of this book. It is sure to bring holiday cheer, in a time where simple pleasures matter.

I encourage you to follow this book with Author Iona Morrison's (10 books) 'Blue Cove Mystery' series. Iona Morrison is a multi-published Amazon bestselling author, who lives in Colorado. She is a member of the RMFWPAL (Rocky Mountain Fiction Writers Published Authors League) and a member of the Colorado Author's League. She enjoys being part of the vast community of authors, who reside in Colorado.
