How The Story Ends by Tory Gates.

"We are vessels ... and sometimes we have to empty them."

For years, Jhana has traveled the country in search of the stories of people from all walks of life had to tell. Now, after more than a decade away, Jhana has come back to set the record straight about her hometown ... and for once to tell her own tale.

Revisiting the small town of Sorel, Jhana regains contact with the people and places that shaped her life. Jhana knows that change is inevitable, but now she must recall everyone and everything that she left behind.

Jhana has been the vessel for those most dear to her and all with whom she has crossed paths. Now, Jhana must empty her own vessel and find out if one can go home again.

Searching For Roy Buchanan by Tory Gates.

Book 1 of 3: Sweet Dreams Series.

Aki Sato is not your typical teenager. She has weathered the loss of her parents and joined her brothers, Kenji and Hiro in a struggle to keep the family business, and themselves together.

Aki has also inherited the Amida Syndrome, the power of time travel. Without her mother to guide her, Aki has no experience in its use, nor can she defend against the terrifying nightmares that haunt her.

A chance breakdown leads the siblings to Kazu, an eccentric retired blues musician. In a series of misadventures, Aki must guide her brothers through time, space, and the world of the blues. In time, Aki not only discovers her own voice, but the power of music.

The journey through time and life is just getting started in "Searching for Roy Buchanan."

Five Stars: The Power Of Music!

Fascinating time travel, action adventure involving teenage characters who discover the power of music.

As an avid listener to classical and jazz, I admit, I had to google the late great American guitarist and blues musician Leroy "Roy" Buchanan. My husband plays professional clarinet and is very familiar with this pioneer of Telecaster sound.

As a broadcaster for more than thirty years, Author Tory Gates has found his new calling, as a vivid fantasy storyteller.

Book One, *Searching for Roy Buchanan (Sweet Dreams)*, begins with teenage Aki experiencing something between a night mare and night terrors, as she "cried out one long, agonized scream".

As a grandmother and book reviewer, my heart went out the kids. I am awe of the mystical and musical experiences that touched these young lives. A story of tragedy and triumph. A compelling journey into art, music appreciation, Japanese language, wrapped in healing mystical time travel that brings acute self-awareness and an adventure that brings unexpected maturity in time when Aki and her brothers should still be children.

Let me draw you into the story line in Chapter 5.

"Aki sat on her bed. Naked but for the T-shirt she slept in, Aki sweated, but was cold. She drew her comforter about herself in the dark room.

She looked up through her tousled hair, at the sun, which fingered its way through the blinds. Fingers slipped between one another, Aki rested them against her forehead and breathed. She wanted to stand but could not.

Thoughts, random and specific, passed through her mind, and though she tried to set them free again, she could not. When I was young, my mother called me a dreamer. She meant it with affection.

The truth is, while I may have at times imagined myself as someone else, I have no dreams. Those things I might have wished for were cast aside when Mom and Dad died. I am no longer a girl; all of us grew up that day."

I invite you to see for yourself what happens to Aki and her brothers. What is Amida Syndrome? Is it a gift or curse?

Now we wait for book two in this series.

The Sweet Dreams Series Returns...

Aki Sato is growing up, and her connection to the Amida is stronger. Aki however knows this ability cannot solve her problems in the real world. Beset by trauma, she feels there is no way out.

When Aki agrees to help Hiro start his new band, they are joined by two people Aki finds herself deeply attracted to. First-year student Kiya is a brilliant pianist and singer, while Zendo, a former monk and guitarist arrives as a teacher. Both bring their own musical skill and style, but Aki feels something from each that goes far beyond music...

Through friendship, trust, and these new connections, hidden pasts are uncovered, and Aki is reminded of the healing power of music, and people, in *Call It Love*.

Call It Love is the second volume of the "Sweet Dreams Series," a genre-bending work of Young Adult Fiction brought to you by Tory Gates. Check out Searching for Roy Buchanan (#1 of the Sweet Dreams Series) and Tory's other works at www.SunburyPress.com and other online retailers.

About the Author

A broadcaster for more than thirty years, Tory can be found hosting and producing music, talk and sports programs across Central Pennsylvania. He hosts *The Brown Posey Press Show*, a program for authors on the BookSpeak Network, and is also known as DJ Riff, host of *The Music Club* for the London-based Radio-Airwaves Station.

Tory is the author of five books. His 2016 release, *A Moment in the Sun* won First Place in the Young Adult division of the 2017 Red City Review Awards, and was a finalist for the *Dante Rossetti Award for Young Adult Fiction* by Chanticleer Reviews. 2017's *Live from the Cafe* was also a Red City Review finalist in 2018. His self-published debut, *Parasite Girls* is available through Amazon.com and Smashwords.

A native of Vermont, Tory lives in Harrisburg, PA, with his numerous cats. You can find him on Facebook, Twitter (@ToryGates), and in the nearest place that serves good coffee!

Call It Love by Tory Gates.

Book 2 of 3: Sweet Dreams Series.

The Sweet Dreams Series returns...

Months have passed since Aki Sato discovered her time-traveling powers. Aki knows she cannot change the past nor can she solve her problems in the real world. Beset by fresh trauma, Aki feels there's no way out. Her only hope comes from music and a voice that calls to her from her power of time travel.

When Aki agrees to help her brother Hiro start a new band, they are joined by two people that Aki can't help but be attracted to: Kiya, a brilliant pianist and singer; and Zendo, a former monk and guitarist. Both bring their own musical skill and style, but Aki feels something from each that goes far beyond music.

Through friendship, trust, and new connections, Aki goes back in time to uncover a hidden past and to make an amazing discovery. Once more, she is reminded of the healing power of music, and people, in *Call It Love*.

Shake Hands with the Devil by Tory Gates.

Book 3 of 3: Sweet Dreams Series.

Aki Sato is back...

Aki's life has surpassed even her wildest dreams. In five years, Aki has found success and stardom in music, and more importantly, love in her partner and collaborator, Kiya.

But for Aki, the dream has become a nightmare: Kiya is lost in time, and a force Aki has never before encountered blocks her ability to time travel, the Amida.

Aki discovers a hidden enemy within the Amida, who seeks her power and leaves the thing most dear to Aki hanging in the balance. To Aki, there is no alternative but one dangerous, and desperate gamble.

The third volume in the Sweet Dreams Series, "Shake Hands with the Devil" finds Aki Sato at her most obsessed, even ruthless in her search for Kiya and to protect the Amida. Meanwhile, Kiya sails the Great Lakes in 1960s America, knowing she is on her own, until Aki can find her.

Tory Gates brings the Sweet Dreams Series full circle in "Shake Hands with the Devil," available at SunburyPress.com, Amazon and wherever great books are sold.

Review From A Sunbury Press Books Reviewer. Shake Hands with the Devil, Book 3 Sweet Dreams Series on Oct 12, 2022. This third and final book in the Sweet Dream Series is a fast paced, tension filled finish to the first 2 books. I could hardly put it down. It could almost be read as a stand-alone, except the first two books give background to the characters as well as time and place. If you are looking for something a little different, this is it.

**A Moment In The Sun by Tory Gates.**

Sixteen-year-old Rei Murata appears to have everything: good looks, brains, artistic skill and admiring friends. But Rei is a survivor—of loss, neglect and of self-isolation. Locked away from a world where she felt unwanted, Rei was one of the millions known as the *hikikomori*.

A chance meeting leads Rei to discover the online world of the Dwellers. Astonished to find her former classmate Sho among their number, Rei is determined to rescue him. Rei learns she must come to terms with her past before she can face her future. For her peers, the barriers of class and society must fall, so they too can move forward.

No one is ever lost, Rei believes. She hopes to lead Sho, and the rest to their moment in the sun.

Live from the Cafe by Tory Gates.

“What did you dream today?”

Harlandsville, Quebec—look up the definition of small town in a dictionary, and you'll find its picture.

A one-stoelight village, Harlandsville doesn't have a lot to offer, or so it seems. Old homes, an abandoned mill, a gas station, one Chinese takeout joint, and a former pub turned into a coffee shop. For the latter, one learns never to judge a book by its cover.

One step through the doors of Le Cafe, and you enter a world where the coffee is brewed one pot at a time through a strange machine, the pastries are homemade, and the music is a roadmap of Canada's history.

Presided over by Luc, the son of one of Harlandsville's most loved residents and his partner Emily, the cafe is home to natives and visitors alike. Where the coffee is strong, the spirit of friendship stronger, and occasional strange (and famous?) characters show up to hang out and play music.

Small-town life, love, change, prejudice, pasts and futures are examined and experienced. The heartbeat of Harlandsville is right here. You never know who'll show up, or what will happen next, Live from the Cafe...

Parasite Girls by Tory Gates.

Aidan Connor is a globetrotting American photojournalist.

Burned out from a disastrous assignment, he turns up on the Tokyo doorstep of his old college friend, Mima. He soon learns that Mima's past (and his own) have become present. A talented artist, Mima is struggling to make it on her own. Two of her oldest friends, Sora and Eko are also battling a peculiar form of social injustice: they are branded "Parasite Singles" because both still live at home despite being in their early thirties.

Aidan knows everyone has a story: a brilliant painter, Sora suffers from mental illness. Eko, who appears to be the poster child for the term also has a dark past. As he remakes himself, Aidan is reminded of what kept him close to Mima all these years.

He also sees what keeps Mima, Sora, Eko and Mima's old love so close as well...one thing never dies.

About The Author: Tory Gates has produced books for the Young Adult and Contemporary Fiction world since 2013. He takes readers to exotic locales, everyday places and brings to life characters that are relatable and real, while addressing real-life issues.

Tory is the author of the Sweet Dreams Series, a trilogy of works that combine time travel, Japanese culture and the power of music. "Searching for Roy Buchanan," "Call it Love" and "Shake Hands with the Devil" are all available on Brown Posey Press, the fiction imprint of Sunbury Press Books. He is also the author of two other Brown Posey releases, the award-winning "A Moment in the Sun" and "Live from the Café." Tory's first book, "Parasite Girls" was released on Amazon and Smashwords.

A broadcaster with more than thirty-five years' experience, Tory is a journalist, a presenter, and producer. He can be heard on the Radio Pennsylvania Network and The Brown Posey Press Show, an interview program for independent and self-published authors. Tory is also known as "DJ`Riff," host of "The Music Club," a blues program for the London-based Radio-Airwaves Station.

A native of Vermont, Tory lives in Harrisburg, PA with a cat named Kao, and can be found anyplace that serves good coffee!
