Treacherous Estate by Behcet Kaya.

Book One: Crime Story (A Jack Ludefance Novel).

While enjoying his usual Friday night after dinner beer at a local restaurant, Jacques (Jack) Ludefance's evening is suddenly shattered when a beautiful young woman sits down next to him, whispers, "Mister, can you help me?" then falls dead.

After her death is ruled 'natural causes,' Jack digs in to unravel the reasons she came to him desperately asking for his help and to investigate her mysterious death. To complicate matters further, her husband is a prominent, highly respected local businessman. As Jack begins to unravel the pieces to the unsolved puzzle, the more heinous the crimes of the dead woman's husband become, and Jack finds his own life is in danger.

Body In The Woods by Behcet Kaya.

Book Two: A Jack Ludefance Novel.

Award-winning author Behcet Kaya has once again brought his PI protagonist Jack Ludefance to life in a novel of suspense and mystery, filled with indelible characters, and laced with threads of credible circumstances, in his latest book titled Body in the Woods.

Set in the hills in Malibu, California, Jack is asked by his friend, a wealthy businessman in the military defense industry, to come to his aid to help solve a murder; because it seems his business partner's body has turned up murdered and the police have pegged him as the prime suspect. Although not yet formally charged, he needs Jack's help to find the real killer and thus secure his freedom, while solving the crime of who actually killed his partner. Jack obliges and travels from his home in Florida to Los Angeles to pick up the case. What begins as a step-by-step private investigation into the evidence surrounding the death of the notoriously cunning, smart, and cleverly manipulating business partner of Jack's client, turns into an international quagmire of intrigue, scientific secrets, and vast amounts of money. People with power, influence and fortunes are all jockeying for a once-in-a-lifetime business deal, while death surrounds the periphery of their involvement.

Body in the Woods stands on its own merits as there is enough background to appease the fans of Kaya's books without bogging down the plot with historical events. This book is impossible to put down; at first due to the character development, then again when readers hit the critical mass plot point. It will surprise the savviest of readers with its twists and turns of logic, morality, integrity, and honesty.

Appellate Judge by Behcet Kaya.

Book Three: A Jack Ludefance Novel.

"From the swamps of the Florida panhandle, once again emerges private investigator Jack Ludefance, in a murder/mystery/thriller novel by award winning author Behcet Kaya, titled "Appellate Judge." A key element in this case, in which readers are orbited into with a very subtle path of reasoning, revolves around a violin. Not just any ordinary violin, but a Stradivarius, worth many millions of dollars. What's more, it seems this particular Strad, which was gifted to the judge years back by a Swiss aristocrat, was actually at one time owned by the most famous violin virtuoso who ever lived, Niccolò Paganini: adding even more to its value.

The uncovering of details about this violin makes for a very sophisticated history into the world of classical instruments. With suspense, action, seduction, and attitude, worthy of the Jack Ludefance series, "Appellate Judge" ranks high in the best-of-class within this genre. It stands on its own for readers just entering the series, albeit those who have read his two prior novels, "Traacherous Estate" and "Body in the Woods" would appreciate the continued character development and maturity Kaya brings to his latest in the series. "The Appellate Judge" is not one to miss!" Gary Sorkin

Murder In Buckhead by Behcet Kaya.

Book Four: A Jack Ludefance Novel.

Behcet Kaya's book four in the Jack Ludefance series, *Murder in Buckhead*, follows PI Jack's all-action mysteries proceedings, resonates with the author's knotty narrative, sparkling characters, and the ever-still place of realism as to the basic human aspirations.

Buckhead, a district within Atlanta that boasts many high-end residences and businesses, is the scene of the discovery of a body. As the meticulous detective Shamir Turner assesses the circumstances of the alleged suicide of Casey Ray Olmsted, the son of the influential US Senator Bartholomew Jeremie Olmsted, he is certain of foul play (all shreds of evidence are contrary to the suicide claim). In the wake of Senator Olmsted's request not to proceed with the investigation of his son's death (since it's a suicide), Turner has no choice but to do nothing (well, just officially...). Meanwhile, in his mid-40s, private investigator Jack Ludefance from Florida receives a phone call from Scarlet Olmsted asking him to look into the 'real' deed behind his son Casey's death. Blaire Olmsted, Casey's widower, issues a second exhortation, pleading with Ludefance to probe the senator (her father-in-law) who is after her life.

Amidst the seemingly well-heeled proceedings of the murder-mystery investigation, Ludefance makes some unexpected discoveries about the case that goes against his reasoning. Blaire puzzles him with her switch between slyly seductive innuendos and her innocent persona, genuinely concerned about the senator and the threats he makes (a devious diva or an innocent suspect?). Additionally, not only has Blaire become a thorn in the motive of concealing the true story behind Casey's death, but Jack has also become part of the follow-ups and death threats. In a bind, Ludefance must deal with two situations that both get in the way of the corrupt and wicked Senator, who believes in getting rid of any weeds that might stand in the way of his objectives. With Rudy, the young expert hacker, Turner, the ever-ardent detective, and many incidental characters on board, the plot follows Jack's adventure to unravel the mysterious death of Casey – suicide or murder, or is there an entirely different angle to the case?

Through the luxury settings of Atlanta, the criminal underworld, and (not to overlook) the various eateries and human basic appetites for delicacies and meals, the author weaves an interesting tale that goes beyond a mere murder mystery riddle. All of the characters reveal their true selves in their own sexuality, backgrounds, and social positions, whether expressing natural human passion, appetite, or wrestling with their inner conflicts. Despite being a minor force behind the propagation of the murder mystery, the plot's plethora of characters, including Rudy with his subtle fatherly relationship with Jack, Cindy, Jack's sexual interest, as well as Turner and County Sheriff Lawson (aka Hiker), the ideal professionals and boon companions, provide enrichment to the plot with their unique presence and personalities.

Uncanny Alliance by Author Behcet Kaya.

Book Five: A Jack Ludefance Novel.

A shocking murder has devastated the sacred walls of Kingsley University. A student discovers the body of controversial Professor Zambear in a distressing state, and lo and behold, the likely perpetrator is his wife, Stella Zambear. James Kingsley calls on the savvy private investigator Jack Ludefance to clear his daughter's name in the murder. In light of Stella's disclosure of her chaotic marriage and the darker aspects of their relationship, complexities lure Jack into a web of suspicion. Yet, little does he know the extent of deception and intrigue that await him as he lunges further into the case...

Deception: A Jack Ludefance Novel by Behcet Kaya.

Psychological and Political Thriller.

Book Six: A Jack Ludefance Novel.

Imagine being hired by someone who says they're already dead.

Deception: A Jack Ludefance Novel, by award-winning author Behcet Kaya, is one of those wild and exciting stories which pulls you in from the very first chapter. It's a crime thriller filled with twists, danger, and a private investigator who has to race against time to uncover the truth before it's too late. The story starts when a man named Colonel Westerdam visits PI Jack Ludefance unexpectedly claiming that he's been poisoned and only has a few days to live. He wants Jack to find out who did it - and to dig into some shady activities happening at the Colonel's hospital. From there, the mystery grows fast. Jack must figure out who would want to kill the Colonel, how it happened, and what secrets the hospital might be hiding, all while time is running out.

As the investigation continues, Jack meets a bunch of suspicious characters - from sneaky doctors to a disappearing waiter and a woman in a floppy hat who might know more than she lets on. There's even a part where Jack must go on a long road trip to find a woman from the Colonel's past. Bit by bit, Jack feels the pieces of the puzzle coming together but as he goes deeper, the more dangerous things become. The mystery in this story is adequately maintained throughout owing to its clear, fluid, suspenseful, and quick-paced storytelling.

The story is built well, with each clue leading to new discoveries that keep you guessing. This book fits in with the crime and mystery genre, with a bit of political drama mixed in. It's a great pick for teens and all readers who enjoy detective stories and real-life issues. Among its most important lessons are the need

to tell the truth, especially when doing so puts one at risk, and the fact that doing the right thing is not always simple but is ultimately worthwhile.

The author, Behcet Kaya, has written in a way which feels like a movie playing in your mind. Jack Ludefance is a strong and smart main character, but he also shows a lot of emotion, especially when caring about justice. Additionally, the book will also make you think about truth, lies, and how far someone will go to cover something up. If you like mysteries with a brave detective, secret plots, and a race against time, Deception by Behcet Kaya might just be your next favorite read!

Voice of Conscience by Behcet Kaya.

In Search Of Retribution.

Voice of Conscience, In Search of Retribution is a tale of love and revenge that plays itself out on three continents. It follows the story of an adolescent boy who must flee from his native Turkey to save his life after the brutal murder of his family. As he grows into manhood, he is successful outwardly, taking on all the trappings of a normal life. Ultimately though he must come face to face with the legacy of revenge that has been carefully handed down from father to son.

Murder On The Naval Base by Behcet Kaya.

Mystery & Romance Thriller.

Murder on the Naval Base begins with a blurry account of a cold-blooded shooting of a couple, singled out while having dinner at an Officer's Club. The prime suspect is apprehended hours later while apparently attempting to flee the state. With over a dozen eyewitnesses collaborating the incident, little was left in the puzzle for the military investigators to piece together; especially once it was determined the two victims were in fact the perpetrator's wife and the man, she was having an on-going affair with. Transporting the reader into the supersonic fighter jet world of Naval Aviation, with aircraft carrier scenes, the novel brings the reader close to the egos and confidence of those commanders that fly our warplanes. Combined with a steamy undercurrent of lust, love, sexual fulfillment, jealousy and primordial desires of the protagonist, the human condition of married life versus the structure and demands of military careers are juxtaposed against the strength and will of personal upbringing and ethical behavior of the characters. Offering the reader a page-turner of excitement, legal intrigue, psychologically thrilling moments, steamy sex and military honor - complete with a surprise that is foreshadowed so brilliantly, even the most seasoned reader will raise an eyebrow at the end with humble acknowledgement of the literary mastery contained herein.

Road To Siran by Behcet Kaya.

Erin's Story: Sequel To Voice of Conscience by Behcet Kaya.

Erin Ozcomert, a beautiful, graduate student at UCLA, has always felt compelled to learn more about the little-known stories of her father; stories that have been hidden from her since his death several years before. Leaving modern day Los Angeles, Erin is swept into the ancient customs and traditions of her father's village in northeastern Turkey.

What she learns there is not at all what she had expected to find. As she is enfolded into the loving arms of her Aunt Fatma Ozkoy, Erin discovers a place where tradition prevails in social ceremonies and family feuds are still kindling hatred and murder, torn by some never forgotten malice performed by past generations. Trying to integrate these discoveries, Erin is given the gift of her grandmother's journal. Reading the handwritten treasure, her emotions are stripped raw as she uncovers her heritage and the answers to her questions.

Forced to leave the village before she is ready, Erin returns to Istanbul only to discover more secrets from her father's past.

About The Author: Author Behcet Kaya was born in northeastern Turkey. Growing up in a small village with long-held traditions, his rebellious and creative nature emerged at an early age. Leaving home at fourteen, he travelled first to Istanbul and then on to London. His dream was to complete his high school education and then a college degree in engineering. While at Hatfield Polytechnic, Kaya made his first visit to the U.S. as an exchange student with the BUNC. He made the move to the U.S. in 1976 and became

a U.S. citizen in 1985. While living in Atlanta, Georgia, he followed his creative yearnings, attending the Alliance Theater School and studying at the SAG Conservatory of Georgia. Kaya and his wife moved to Los Angeles, where he continued his studies at the Roby Theater Company and the Shakespeare, A Noise Within Theater Workshop. In May 2017 Behcet Kaya graduated from California State University Channel Island majoring BA Political Science.

Along with acting, writing became a natural outlet for his creative yearnings. He has published seven novels, "Voice of Conscience, Murder on the Naval Base, Road to Siran-Erin's story (Sequel To Voice of Conscience), Treacherous Estate (crime story), Body in the Woods, Appellate Judge (Part of The Jack Ludefance PI Series), Murder In Buckhead (The Jack Ludefance PI Series), as well as several short stories.
