"Gripping Work Of Literary Crime Fiction"

The Beginning Of Everything by Charles Salzberg.

Josh Green has a secret.

Since he was a child, Josh has had troubling visions that allow him to see into other people's pasts due to his extrasensory perception. Frightened by this ability, he's told no one about it, except his best friend, Tony. When Tony's college-age stepdaughter suddenly vanishes, he asks Josh to help him find her, as well as determine the circumstances of her disappearance. For the first time, Josh is forced to embrace his

psychic ability to help trace the young woman's steps. Eventually, this leads him to not only learn why she's missing, but where she is. Following a trail that unravels familial secrets, Josh finds himself in the middle of a very complicated web.

Canary In The Coal Mine by Charles Salzberg.

"A Terrific Old School Crime Novel With A Machine Gun Pace."

PI Pete Fortunato, half-Italian, half-Jewish, who suffers from anger management issues and insomnia, wakes up one morning with a bad taste in his mouth. This is never a good sign. Working out of a friend's downtown real estate office, Fortunato, who spent a mysteriously short, forgettable stint as a cop in a small upstate New York town, lives from paycheck to paycheck. So, when a beautiful woman wants to hire him to find her husband, he doesn't hesitate to say yes. Within a day, Fortunato finds the husband in the apartment of his client's young, stud lover. He's been shot once in the head. Case closed. But when his client's check bounces, and a couple of Albanian gangsters show up outside his building and kidnap him, hoping he'll lead them to a large sum of money supposedly stolen by the dead man, he begins to realize there's a good chance he's been set up to take the fall for the murder and the theft of the money.

In an attempt to get himself out of a jam, Fortunato winds up on a wild ride that takes him down to Texas where he searches for his client's lover who he suspects has the money and holds the key to solving the murder.

**Devil In The Hole by Charles Salzberg.**

In the ballroom of a sparsely furnished Connecticut mansion, police find a shocking sight: four bodies lined up next to each other, three teenagers and a middle-aged woman, each lying on a blanket, each shot once in the head. In an upstairs bedroom: an elderly woman and the family dog, both of them shot as well. The only person missing is the husband, father, son, and prime suspect, John Hartman, who's got a three-week jump on the police.

Through the eyes of almost two dozen characters, including the neighbor who reports the crime, Hartman's mistress, a dogged state investigator, the family minister, and some of the characters Hartman meets on his escape route, we piece together not only what happened and how these shocking murders affect the community, but how John Hartman evades capture, where he's headed, and maybe even why he committed this gruesome crime in the first place.

Based on the notorious John List murders and already compared to works by Norman Mailer and Russell Banks, DEVIL IN THE HOLE is gripping, literate, and haunting.

Man On The Run by Charles Salzberg.

Master burglar Francis Hoyt is on the run. After walking away from his arraignment in a Connecticut courtroom, he's now a fugitive who has to figure out what he's going to do with the rest of his life.

And so, he heads west, to Los Angeles, where he meets Dakota, a young true crime podcaster who happens to be doing a series on Hoyt. At the same time, he's approached by a mysterious attorney who makes Hoyt an offer he can't refuse: break into a "mob bank," and liberate the contents.

Second Story Man by Charles Salzberg.

Winner Of The Beverly Hills Book Award. Nominated For A David Award and Shamus Award.

Francis Hoyt, arrogant, athletic, brilliant, manipulative, and ruthless, is a master burglar. He specializes in stealing high-end silver, breaking into homes that seem impenetrable. He's never been caught in the act, although he has spent some time in prison on a related charge, time he used to hone his craft and make valuable connections. (Hoyt is based on two real-life master burglars: the so-called Dinnertime Bandit, who only stole when his victims were home, and The Silver Thief, who was only interested in high-end silver). Hoyt follows the money. In the winter, he works down south, primarily in southern Florida and Georgia, around the Atlanta area. Summers, he moves back up north, where he plies his trade in New York, New Jersey, Connecticut, and Massachusetts.

One day, Charlie Floyd, brilliant, stubborn, an experienced investigator, who has recently retired from his job with the attorney general's department for the state of Connecticut, receives a phone call from Manny Perez, a Cuban-American Miami police detective. Perez, who's worked with Floyd previously, wants to enlist the former investigator in his efforts to put an end to Francis Hoyt's criminal career. Floyd accepts the offer and they team up to bring Hoyt to justice.

Second Story Man, told in alternating chapters, representing Hoyt's, Floyd's and Perez's points-of-view, develops into a cat-and-mouse contest between the two lawmen and this master burglar. As Floyd and Perez get closer to their prey, Hoyt finds out they are after him and rather than backing down, he taunts them, daring them to bring him in. As the story develops, the stakes get higher and higher, and Hoyt, who is always concerned about proving he's the best at what he does, even resorts to murder. Eventually, the story climaxes in a confrontation between the three men.

Swann Dives In by Charles Salzberg.

Henry Swann Mystery Book Two.

Swann Dives In is a mystery that goes deep and rarely lets the reader catch a breath.

Henry Swann's last case nearly killed him, emotionally and physically. Now he's sworn off his old profession and taken on a steady gig. But climbing stairs to hook poor people up to cable is hard on his knees... and not the kind of connections he's good at making. So, when an opportunity arises to bring order to chaos for a price –his secret pleasure in life –Swann is pulled back in.

The case starts simply, with a call to find a burglary suspect who's gone on the lam. But Swann is soon on the trail of a wealthy lawyer's rebellious daughter, who's disappeared along with her disreputable boyfriend.

Finding the beau leads him into the dangerous midst of cutthroat academics, sexy librarians, and killer book collectors, with a priceless first edition of Tender is the Night the surprising prize along the way.

Swann's Lake Of Despair by Charles Salzberg.

Henry Swann Mystery Book Three.

When rare photos, a scandalous diary, and a beautiful woman all go missing at once, the stage is set for three challenging cases for Henry Swann.

It begins with an offer to partner up with his slovenly, unreliable frenemy, Goldblatt. The disbarred lawyer-turned- “facilitator” would provide the leads and muscle, while Swann would do all the fancy footwork. A lost diary by a free-loving Jazz Age flapper is worth enough to someone that Swann takes a beat down on an abandoned boardwalk.

Pilfered photos of Marilyn Monroe propel him deep into the past of an alcoholic shutterbug, his wife; and he’s hired to search for a lonely writer’s runaway girlfriend. The cases converge and collide in a finale that lifts the curtain on crucial, deadly facts of life for everyone—including Swann himself.

Swann's Way Out by Charles Salzberg.

Henry Swann Mystery Book Four.

A friendly poker game leads Henry Swann out to Hollywood where he tries to find the man, Rusty Jacobs, responsible for embezzling \$1,000,000 from his client, and then bring back the dough. Swann finds Jacobs, but the mercurial wannabe film producer is involved in a "surefire" movie project aimed at the growing Christian market. And the money? Well, it seems to have vanished into thin air.

At the same time, thanks to his irrepressible partner, Goldblatt, Swann finds himself knee-deep in the New York City art world, as he tries to get justice for another client who's possibly been defrauded on the purchase of a valuable painting that may or may not be a fake.

As if this isn't enough to keep him busy, in the midst of these two troubling cases, Swann finds that the teenage son whom he hasn't seen in a dozen years has run away from his grandparent's Minnesota home and, chasing after a girl, has possibly become involved with a cult. And so, a guilt-ridden Swann has to take time out from his paying cases to find his son.

Swann's Down by Charles Salzberg.

Henry Swann Mystery Book Five.

When Henry Swann is asked by his quirky partner, Goldblatt, to find a missing psychic who's swindled his ex-wife out of a small fortune, he just can't say no. Although he doesn't actually expect to get paid, he figures it might give him a chance to finally learn more about his partner's mysterious past. His search takes him into the controversial, arcane world of psychics, fortunetellers, and charlatans, while raising questions in his own mind about whether or not there is an after-life.

While working his partner's case, he's approached by a former employer, attorney Paul Rudder, to track down a missing witness who might be able to provide an alibi for his client, Nicky Diamond, a notorious mob hitman who's scheduled to go on trial in a week for murder he claims he didn't commit. Swann's search for the missing witness, who happens to be the defendant's girlfriend, takes him from Brooklyn to

a small beach town across the bay from Mobile, Alabama. But what does she really know, and will she even come back with him to testify for her boyfriend?
